Christmas Meditations Father T. Ronald Haney, 2007-10-30 Christmas with its sparkling decorations and gaily wrapped gifts is the most celebrated holyday in many people s lives Christmas is even a holiday so brightly prominent is it in our culture Christmas shines like the Bethlehem Star into the dark shadows of our workaday world Christmas is the peaceful pause in the noisy hustle and bustle of our daily work and relationships Yet for many the grueling preoccupation in the preparations for Christmas is with the jingle belled material things shopping decorations gifts exotic foods visits entertainment etc Sometimes many forget the fundamental spiritual meaning of Christmas These daily meditations are geared to help you to become more exuberantly aware of the primary meaning of Christmas namely the love of God so boundless that God gave us his only divine son as a human babe Jesus to live among us teach us with his stories lay down his life for us and rise again on the third day These daily meditations were written in the hope that you will be able to probe with dynamic and contagious faith the gospel stories to increase and deepen your spiritual development during the Advent and Christmas seasons *The 365 Days of Christmas* William J. Byron, 2003-08-27 A perfect stocking stuffer this collection of musings is a way to extend the season and become open to its wonder and mystery all year round By looking for the holiday s deeper meaning believers will find meditative moments insight and strength that will joyfully sustain them for all the 365 Days of Christmas This warm source of inspiration is ideal for individuals families and small groups for preachers and for teachers *Against the Titans* Peter Nguyen, 2020-07-15 Modern history has been marked by the emergence of the figure of the titan who yearns for self mastery in the face of death and who denounces modernity s tendency to reduce the individual to the lockstep of need and gratification But what of those few who rejected the impulses of the titan those militant desires to exert supremacy over all The story recounted in *Against the Titans* The Theology of the Martyrdom of Alfred Delp examines one martyr s rejection of the titan s perversion of heroism and sacrifice The life of Delp a Jesuit priest embodied a Christian theology of martyrdom articulated over against a virile fundamentalism that rejected divine sovereignty As Peter Nguyen S J shows Delp opposed Ernst J nger s active nihilism by revealing a more authentic and no less demanding existence one that came not from acquiring self mastery but rather from an emptying out of self an indiferencia an unselving through a radical

dependence upon God *28 Carols to Sing at Christmas* John M. Mulder, F. Morgan Roberts, 2015-10-13 It wouldn't be Christmas without Christmas carols. Virtually every Christian and many non-Christians would agree. The songs of Christmas can be heard from all kinds of media and all across the world in many languages. Christmas has become the biggest holiday in the United States and in virtually every land where Christianity has a significant influence. But what does it all mean? What is the enduring message of these Christmas carols? Why do they awaken the mind, move the heart, and inspire the Christlike behavior proclaimed by Jesus, born in Bethlehem? *28 Carols to Sing at Christmas* answers those questions. Each carol's history is described by John M. Mulder and F. Morgan Roberts; meditates on its contemporary meaning. The result is a devotional resource that will make your Christmas a spiritual discovery. Here is a book to bring meaning to the mystery of Christ's birth and a message for all the world.

The Collected Sermons of Dietrich Bonhoeffer Victoria J. Barnett, 2017-10-15 In his preaching, Dietrich Bonhoeffer's strong personal faith, the foundation for everything he did, shines in the darkness of Hitler's Third Reich and in the church struggle against it. Though not overtly political, Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel. A conversation readers today are invited to join.

Cradle of Redeeming Love John Saward, 2011-03-18 Following up on his acclaimed *Redeemer in the Womb*, John Saward returns to the mystery of Christ's Incarnation. He draws upon the rich traditions of the Church as well as the writings of the great Christian mystics to create a work that is both new and old, revolutionary and orthodox. This profoundly moving meditation will aid any contemplation on the life of Christ. The subject of this book is the objective and divinely revealed truth of the Nativity of Christ as proclaimed by His infallible and immaculate Bride. It is the splendor of this truth of Love's noon in Nature's night, which for two millennia has captivated the Fathers and Schoolmen and activated the genius of poets, painters, and musicians. Illustrated with eight color paintings, it combines Saward's usual profundity and precision with a treasure trove of texts from the tradition. A comprehensive exposition of the Christmas mystery. Anyone wanting to know the true meaning of the Incarnation and Christmas need look no further.

Aidan Nichols O.P. Author. *Looking at the Liturgy*: A profound theological meditation on the Incarnation as an anticipation of the joy in heaven. Fr. Kenneth Baker, Editor. *Homiletic and Pastoral Review*. John Saward is on my very short list of preeminently important twentieth-century Catholic writers. His writing is always profound, original, and clear.
