To Bare Witness to the Truth Scott Dalton Myers, 2021-03-16 If God does exist why is there so much evil in the world Why do bad things happen to good people Why do we suffer so many trials and tribulations in our lives These difficult questions that nonbelievers often use to deny God s existence are addressed in this book with the biblical and religious references and answers Proof and evidence of God s existence surround us everywhere we go if we simply open our eyes and our minds to the truth The miracles and incredible balance in nature the wonder of the human body the intricate structure of our eyes and ears cellular complexity molecular genetics DNA the wonders of the Earth and our universe all point to intelligent design It is beyond belief and comprehension that all of these things could have simply evolved from some freak accident of nature The watchmaker s analogy for intelligent design is a good one and is certainly applicable to the creationism versus the evolution and randomness arguments discussed in this book Jesus performed many miracles that were seen by a multitude of people and recorded by eyewitnesses But there are also records of modern day medical miracles that non Christian doctors cannot explain Additionally thousands of people have chosen to share their near death experiences with a research foundation and virtually all of them reported that they came back with a profound understanding of God s love In an interesting 1982 blind prayer study conducted by the San Francisco Medical Center data suggests that the intercessory prayer to the Judeo Christian God had a beneficial therapeutic effect in patients who were admitted to a critical care unit Although there are many biblical and religious documents that recorded events in Jesus s life there are well over ten independent accounts from outside the biblical record that identify over sixty life events and beliefs about Jesus s life Finally we must look to human nature itself for evidence of the existence of God and his son Jesus Christ Many Christians including Jesus and all but one of his disciples were persecuted horribly tortured and died excruciating deaths because of their belief in God Many people throughout history have been willing to die for what they truly believed in but no one willingly dies for what they know to be a lie Finally how do you approach a nonbeliever and talk with them about faith This is difficult for most people as they feel that they must have some specialized training in order to do so One does not need a special gift to evangelize The mandate to be a witness applies to every follower of Christ This book can help you be a true witness

Scientific and Technical Aerospace Reports ,1985 What the Bible Says About... Scott Dalton Myers, 2024-02-12 The Bible God s inspired unerring and

infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues people encounter every day from the beginning of life to the end of life I have addressed many of these in this book The Evidence of God s Existence Who Was and Is Jesus Being Saved Forgiveness Trials and Tribulations What Happens When You Die Families and Fathers Humility Worrying Depression The Environment and Nature Racism Abortion Homosexuality Adultery Transgenderism Alcohol Drugs and Addiction The Death Penalty The Right to Bear Arms Government Leadership Man s Laws and God s Laws Suicide Money and the Rich Natural Disasters Satan Demons and the Supernatural Creation the Biblical Timeline and the Age of the Universe and others People today are pretty much the same as people were in biblical times Basic human nature and the human condition being born into sin have not changed We face the same challenges the same temptations and the same trials and tribulations as the early Christians did The Bible contains advice and guidance on every possible issue or situation we face if we only look to it for that guidance and direction and pray to God for wisdom and discernment In hope of eternal life which God that cannot lie promised before the world began Titus 1 2 That by two immutable things in which it was impossible for God to lie we might have a strong consolation who have fled for refuge to lay hold upon the hope set before us Hebrews 6 18 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3 16 The grass withereth the flower fadeth but the word of our God shall stand for ever Isaiah 40 8 Jesus Christ the same yesterday and today and forever Hebrews 13 8 9 For I am the Lord I change not Malachi 3 6 Finally you we should read the Bible like a love letter not a textbook John 3 16 tells us For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life *Programming the Macintosh User Interface* Henry Simpson,1986 **Electrical World** ,1936
