What does The Dark Knight have to do with political economy or Lord of the Flies with capitalism A great deal argues Ronnie D Lipschutz in this entertaining and enlightening guide to basic concepts and practices in capitalism neoclassical economics and political economy As he convincingly illustrates film and fiction occupy a dual role in today s economy They are the products of the economy designed and presented as commodities to be sold in great quantities even as they serve to reproduce social beliefs and practices e g torture comes to be seen as a routine and necessary means of extracting intelligence from suspects Drawing on film and fiction from the past sixty years Lipschutz describes and analyzes their essential role in the production and reproduction of contemporary society His thoughtful and imaginative critique will bring to life the concepts and practices of economics and political economy for all readers **Routledge Library Editions:**

The British Flag, 1862 **Seers of the Ages** James Martin Peebles, 1869 **In the Beginning** Alister McGrath, 2008-12-10 This fascinating history of a literary and religious masterpiece explores the forces that obstructed and ultimately led to the decision to create an authorized translation the method of translation and printing and the central role the King James version of the Bible played in the development of modern English In the sixteenth century to attempt to translate the Bible into a common tongue wasn't just difficult it was dangerous A Bible in English threatened the power of the monarch and the Church Early translators like Tyndale whose work greatly influenced the King James were hunted down and executed but the demand for English Bibles continued to grow Indeed it was the popularity of the Geneva Bible with its anti royalist content that eventually forced James I to sanction his own pro monarchy translation Errors in early editions one declared that thou shalt commit adultery and Puritan preferences for the Geneva Bible initially hampered acceptance of the King James but it went on to become the definitive English language Bible McGrath's history of the King James Bible's creation and influence is a worthy tribute to a great work and a joy to read

Spiritual Widowhood Andy Mendonsa, 2017-02-23 In 2 Corinthians 11:2-3 Paul writes I am jealous for you with a godly jealousy I promised you to one husband to Christ so that I might present you as a pure virgin to him But I am afraid that just as Eve was deceived by the serpent's cunning your minds may somehow be led astray from your sincere and pure devotion to Christ NIV When Paul expresses his concern for the church that is Christ's bride not to be deceived as Eve was by the Serpent he is speaking to both men and women because the church includes both Yet historically it has been men who have been the appointed leaders of churches And just as it was Adam's responsibility not to allow deception to come into the garden so it has been the same for men throughout the church age If you do not recognize your own vulnerability as a man and thus the vulnerability of the church for being deceived as Eve was by the Serpent then chances are you have already been deceived and may have now become a deceiver of others Spiritual Widowhood's chief aim is therefore to present what I believe to be a crucial if not the crucial litmus test for us based on Scripture for determining whether we have not only been deceived but have now become the deceivers of others and if found to be true what the consequences will then be for us as the church going forward
