**Unions, Strikes, Shaw** Bernard F. Dukore,2022-05-17 Unions Strikes Shaw The Capitalism of the Proletariat is the first book to treat Bernard Shaw socialist dramatist public speaker and union member in relation to unions and strikes For over half a century he urged workers to join unions which he called paradoxically the Capitalism of the Proletariat because as capitalists try to get as much labor as possible from workers while paying them as little as possible unions try to gain as high wages as possible from employers while working as little as possible He opposed general strikes as destined to fail since owners can hold out longer than workers whose unions have less money to support them during strikes This book offers background on major strikes in and before Shaw s time including the Colorado Coalfield War and the Dublin Lockout both in 1913 before analyzing the causes day by day events and consequences of Britain s 1926 General Strike It begins and ends with examinations of their and Shaw s relevance to actions on unions and strikes in our own time      **The Spectator** ,1885
