Project, Level 5 Tom Hutchinson, 2010-01-28 With Project iTools teachers have exciting interactive whiteboard material which brings fresh stimulus to language lessons **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978 *How can the use of frequency information from corpora be used in foreign language teaching? A corpus-based study on vocabulary in course books* Karin Dietiová, 2019-02-27 Diploma Thesis from the year 2016 in the subject Didactics for the subject English Pedagogy Literature Studies grade A course Angli tina language English abstract How can corpora be used to improve vocabulary learning in language acquisition This thesis focuses on the use of word frequencies by teachers of English Teaching vocabulary to young learners is one of the most challenging responsibilities that teachers face The methodology chosen for the presentation of vocabulary is crucial for the learning success of the students There is a great amount of studies on how computers can facilitate the learning of English as a foreign language EFL and with the development of immense corpora both teachers and students now have access to hundreds of millions of words and the possibility to explore their occurrence patterns This advantage is however rarely used in practice partly due to the relatively short existence of this discipline but most importantly due to the lack of information about corpora in English language teaching ELT This paper will present the concept of course book vocabulary and present word frequencies in learner s dictionaries The research part of this thesis deals with a linguistic analysis of data extracted from course books and their comparison with the Oxford list of 3000 essential words The aim of the thesis is to investigate the linguistic attributes of texts forming course books and to examine their relation **Teaching Today** Geoffrey Petty, 2004 This book aims to be a straightforward and practical how to teach book It is intended for those teaching in either schools colleges or universities as well as those teaching or training in industry commerce or the public services Preface Resources in Education , 1999

Improving Literacy in the Primary School R. P. Chamberlin, G. S. Haynes, E. C. Wragg, Prof E C Wragg, 2005-07-28 One of the most important challenges teachers face is making sure children can read It is an absolutely crucial skill and current educational policy is giving it a very high priority Based on one of the largest studies ever undertaken of what primary schools do to improve literacy this book reports what Professor Ted Wragg and his research team found The importance placed on literacy has never been greater When children learn to read they are laying the foundations for their entire educational future Effective teachers can make a huge difference as a poor start can hinder children throughout their schooling and beyond By looking at what actually goes on in classrooms this volume provides an invaluable insight into what happens to children and how their reading progresses It shows how particular teachers manage the improvement of their pupils reading levels and also follows individual pupils through a school year This is a very readable account of a fascinating and crucial area of research that is highly topical Every class teacher should read it *Equality and Power in Schools* Anne Lodge, Kathleen Lynch, 2004-11-23 Based on a study of 12 schools over a two year period this book explores issues of equality

and power both in the classroom and in the staffroom Through classroom observation interviews with pupils and staff focus groups and questionnaires the authors examine classroom practice grouping and streaming peer group relations and attitudes to power relationships both between pupils and teachers and amongst teachers themselves They also look particularly at the different experiences of pupils in single sex and co educational schools The authors findings offer an insight into the way schools operate in terms of social class gender religion and ethnicity and raise fundamental questions about the use and abuse of power in schools and how this affects the lives of pupils and staff This book will be of interest to those studying education sociology gender studies and women s studies and to policy makers and teachers in senior management roles
