

Police Report

Case Number: 010147858

Date: 13 August 2013

Reporting Officer: Deputy Jones

Prepared By: CPL Stevens

Incident Type: Robbery

Address of Occurrence: 557 Maple Street, Manchester, NH 03104

Witnesses:

Alan Perez: Store owner. Male, 43, Latino

Michael Tully: Employee. Male, 21, African American

Andrea Chao: Customer. Female, 27, Asian American

Evidence:

Closed-circuit surveillance footage

Fingerprints (taken from counter)

Footprint (size 10 Nike Air, found in drying paint)

Weapon/Objects Used: Pistol/Firearm

On August 13, 2013, at approximately 17:38, two unidentified males entered a 7-Eleven convenience store and stole \$232 from the register at gunpoint. The store's security camera recorded the incident as one man pointed a handgun at store owner Alan Perez while the other man gestured threateningly while demanding that Perez give him the money from the register. "Two guys came in with masks and a gun," Perez said in his witness statement, "and one started yelling at us to give him the money." Perez was running the store with the help of Michael Tully, his employee. Tully described the suspects as middle-aged, white, both wearing leather jackets, jeans, and ski masks. The only customer in the store was Andrea Chao, who heard the robbery taking place but did not see it as she was in the store restroom at the time.

Bonding Thomas Louis Ampeliotis, 2006-07 Throughout this book author Thomas Ampeliotis provides insight written in the first person Ampeliotis talks primarily from his experience through eleven years of Law Enforcement Security experience Security Management for an International Company Human Resources and through his educational background that includes two master s degrees and work towards an Ed D in Organizational Leadership A good security professional is always thinking of what could happen and how to stop it from happening That is one reason I wrote this book I wanted to help security human resource personnel by giving them

tools and forethought to prepare against the unexpected If there is not a designated security professional in an organization the task of security is always given to the human resource or safety department So it only makes sense that human resources should prepare against security issues and have necessary tools The Blue Guide Elizabeth Brockman,2008 *Project Reports of the National Institute of Law Enforcement and Criminal Justice* ,1971 *Expert Evidence and Scientific Proof in Criminal Trials* Paul Roberts,2017-07-05 Forensic science evidence and expert witness testimony play an increasingly prominent role in modern criminal proceedings Science produces powerful evidence of criminal offending but has also courted controversy and sometimes contributed towards miscarriages of justice The twenty six articles and essays reproduced in this volume explore the theoretical foundations of modern scientific proof and critically consider the practical issues to which expert evidence gives rise in contemporary criminal trials The essays are prefaced by a substantial new introduction which provides an overview and incisive commentary contextualising the key debates The volume begins by placing forensic science in interdisciplinary focus with contributions from historical sociological Science and Technology Studies STS philosophical and jurisprudential perspectives This is followed by closer examination of the role of forensic science and other expert evidence in criminal proceedings exposing enduring tensions and addressing recent controversies in the relationship between science and criminal law A third set of contributions considers the practical challenges of interpreting and communicating forensic science evidence This perennial battle continues to be fought at the intersection between the logic of scientific inference and the psychology of the fact finder s common sense reasoning Finally the volume s fourth group of essays evaluates the limited success of existing procedural reforms aimed at improving the reception of expert testimony in criminal adjudication and considers future prospects for institutional renewal with a keen eye to comparative law models and experiences success stories and cautionary tales **The SAGE Encyclopedia of Industrial and Organizational Psychology** Steven G. Barton-Bellessa, 2012-04-17 In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working alternatives to standard prison settings were sought and developed One of those alternatives community based corrections had been conceived in the 1950s as a system that might prove more progressive humane and effective

particularly with people who had committed less serious criminal offenses and for whom incarceration with constant exposure to serious offenders and career criminals might prove more damaging than rehabilitative. The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system spurred in recent years not so much by a progressive humane philosophy as by dramatically increasing prison populations, court orders to fix overextended prison settings and an economic search for cost savings. Although community correction programs have been in place for some 40 years, now to date no comprehensive reference resource has tackled this topic. Accessible and jargon free and available in both print and electronic formats, the one volume *Encyclopedia of Community Corrections* will explore all aspects of community corrections from its philosophical foundation to its current inception. Features: Benefits 150 signed entries, each with Cross References and Further Readings, are organized in A to Z fashion to give students easy access to the full range of topics in community corrections. A thematic Reader's Guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance. In the electronic version, the Reader's Guide combines with a detailed Index and the Cross References to provide users with convenient search and browse capacities. A Chronology in the back matter helps students put individual events into broader historical context. A Glossary provides students with concise definitions to key terms in the field. A Resource Guide to classic books, journals, and web sites, along with the Further Readings accompanying each entry, guides students to further resources in their research journeys. An Appendix offers statistics from the Bureau of Justice.

If You Don't Stand Up For What You Believe In, You Will Fall For Anything: City of Tampa Florida Vs Marion S. Lewis Marion S. Lewis, 2018-10-25. This book is about a true story that details a long journey to correct an injustice. The story depicts a young man that came from humble beginnings who realized his dream of becoming a policeman in his hometown and worked tirelessly to create a trusting atmosphere between the police and the black community. Suddenly, the city ousted him from his police job that he held most of his adult life. And the sole reason for the city's action is because he qualified to run for the office.
