Buffett's Early Investments Brett Gardner, 2024-11-05 *Buffett's Early Investments* investigates ten investments that legendary investor Warren Buffett made in the 1950s and 1960s earning him his first millions and uncovers unique insights in the process Using the same documents Buffett used when he made these investments the author reveals the fascinating inside stories of How Philadelphia and Reading Buffett's largest investment in 1954 transformed from a declining coal company to a diversified conglomerate whose stock went up twentyfold due to the intervention of Buffett's mentor Ben Graham How Buffett and Charlie Munger made their first formal investment together in Hochschild Kohn How corporate governance issues actually presented serious risk to Buffett's 1966 investment in Walt Disney Other investments analyzed include American Express British Columbia Power Cleveland Worsted Mills Greif Bros Marshall Wells Studebaker and Union Street Railway Not all of these investments worked out this book shows why Buffett's *Early Investments* helps readers understand how history's greatest ever investor really made his returns in the years where he produced his best numbers

The Warren Buffett Way Robert G. Hagstrom, 2013-09-13 Warren Buffett is the most famous investor of all time and one of today's most admired business leaders He became a billionaire and investment sage by looking at companies as businesses rather than prices on a stock screen The first two editions of *The Warren Buffett Way* gave investors their first in depth look at the innovative investment and business strategies behind Buffett's spectacular success The new edition updates readers

on the latest investments by Buffett And more importantly it draws on the new field of behavioral finance to explain how investors can overcome the common obstacles that prevent them from investing like Buffett New material includes How to think like a long term investor just like Buffett Why loss aversion the tendency of most investors to overweight the pain of losing money is one of the biggest obstacles that investors must overcome Why behaving rationally in the face of the ups and downs of the market has been the key to Buffett s investing success Analysis of Buffett s recent acquisition of H J Heinz and his investment in IBM stock The greatest challenge to emulating Buffett is not in the selection of the right stocks Hagstrom writes but in having the fortitude to stick with sound investments in the face of economic and market uncertainty The new edition explains the psychological foundations of Buffett s approach thus giving readers the best roadmap yet for mastering both the principles and behaviors that have made Buffett the greatest investor of our generation **Charlie Munger** Tren Griffin,2015-09-15 Charlie Munger Berkshire Hathaway s visionary vice chairman and Warren Buffett s indispensable financial partner has outperformed market indexes again and again and he believes any investor can do the same His notion of elementary worldly wisdom a set of interdisciplinary mental models involving economics business psychology ethics and management allows him to keep his emotions out of his investments and avoid the common pitfalls of bad judgment Munger s system has steered his investments for forty years and has guided generations of successful investors This book presents the essential steps of Munger s investing strategy condensed here for the first time from interviews speeches writings and shareholder letters and paired with commentary from fund managers value investors and business case historians Derived from Ben Graham s value investing system Munger s approach is straightforward enough that ordinary investors can apply it to their portfolios This book is not simply about investing It is about cultivating mental models for your whole life but especially for your investments *Why Do Bad Investments Happen to Smart People?* Joseph D. Schulman,2007-11-27 Why do so many smart professional people make bad investments Why do they often fail to accumulate significant wealth and sometimes make truly disastrous financial decisions This book offers some answers to these questions It then provides specific recommendations to help doctors lawyers scientists teachers and many other intelligent people avoid serious financial errors and achieve superior investment results Sensible self directed investing with long term compounding of returns and avoidance of all unnecessary fees can produce remarkable accumulations of capital with limited risk You can choose to be successful as a largely passive investor or as one more seriously involved in making individual investment decisions This book tells you how to do it Buying this short volume and then putting its advice into practice may become the most important financial decisions you have ever made **The MAGNET Method of Investing** Jordan L. Kimmel,Jeffrey A. Hirsch,2009-08-13 Praise for The Magnet Method of Investing Rather than encouraging the scatter shot approach of broad diversification Jordan focuses on the rifle shot Magnet method of identifying a limited number of quality stocks to improve your chances of beating the market Sam Stovall Chief Investment Strategist Standard Poor s Equity Research Jordan Kimmel

is one of the brightest market observers out there and he is certainly a rising star that will be an important person to follow marketwise for many years Michael Burke Coeditor Investors Intelligence Inc Jordan Kimmel s The Magnet Method of Investing is an amazing detailed and intuitive book I especially enjoyed Jordan s insights into diversification the inefficient market and identifying stocks that are in their sweet spot Jordan s writing style is also very straightforward and refreshing He succeeds in taking complicated subjects and explaining them in an insightful way This is simply an incredible book that is a must read for both beginning and serious investors Louis G Navellier Chairman and founder Navellier Associates Inc The Magnet Method of Investing examines investing from a different perspective than many investors often see offering a unique alternative to diversification Jordan Kimmel has analyzed the methods of the best investors through time and introduces his robust stock selection process David M Darst CFA Managing Director and Chief Investment Strategist Morgan Stanley Global Wealth Management Group We welcome Jordan s book as a valuable perspective on investing The Wall Street Transcript applauds money managers like Jordan who explain their philosophies clearly support them with research and back them up with performance data This is a great addition to any investing reading list Andrew Pickup Publisher and CEO The Wall Street Transcript The Magnet Method of Investing takes on the important issue of diversification which has been oversold to Main Street This is yet another example of the need to go against conventional thinking if you want to achieve superior results Stan Weinstein Editor and Publisher Global Trend Alert [Invest Like a Guru](#) Charlie Tian, 2017-03-30 Adopt the investment strategy that built Warren Buffett s fortune Invest Like a Guru provides an invaluable resource for high quality focused value investing with expert insight and practical tools for implementation Written by the man behind GuruFocus.com this book expands on the site s value strategies and research tools to provide a primer for those exploring pathways to higher returns at lower risk The book begins with an insightful explanation of high quality focused value investing concepts then quickly moves into practical detailed guidance on analysis valuation key factors and risks to avoid Case studies demonstrate real world application of various analysis methods and the discussion walks you through important calculations using real examples Author Charlie Tian draws upon his own experiences and lessons learned to provide true insight on high quality focused value investing as a strategy providing both reference and expert advice in this singularly useful guide Warren Buffett once said I would rather buy good companies at fair prices than buy fair companies at good prices That s how he built his fortune and his method is what we now call high quality focused value investing This book shows you how to determine what constitutes good companies and fair prices with practical tools for real world application Learn the principles and concepts of high quality focused value investing Understand the analysis process and valuation of prospective investments Avoid the value traps that can trigger permanent losses Study clear examples of key ratios and calculations We can t all become the next Warren Buffett but we can boost returns while reducing risk using the right investment strategy High quality focused value investing provides a path to profit and Invest Like a Guru is the one of a kind guidebook for getting on
