Tractates Ma'aser Seni, Hallah, 'Orlah, and Bikkurim Heinrich W. Guggenheimer, 2014-12-01 This volume concludes the edition translation and commentary of the first order of the Jerusalem Talmud It contains four small but important tractates The first Ma'aser eni deals with Second Tithe Deut 14 22 27 and the fourth year fruit of a newly planted tree Lev 19 24 This is sanctified food to be consumed by the laity at the holy precinct for which redemption is expressly authorized The tractate deals in large part with the problems of redemption of dedicated food In addition there is a long section on the interpretation of dreams and a detailed description of the ceremony of presentation of the tithe in the Temple The second tractate Hallah details the application of the general rules of heave to the Cohen's part of any bread dough The third tractate Orlah the fruit of a newly planted tree during the first three years Lev 19 23 treats this as paradigm for all food whose usufruct is forbidden and most of the tractate discusses the problems that may arise if any such food is not immediately disposed of The last tractate Bikkurim describes the rules for selection and presentation of First Fruits in the Temple on or after Pentecost The rite is given in detail with an excursus on the honor due elders A first appendix shows the position of the Tosephta as intermediary between Yerushalmi and Babli tradition with a distinct slant towards Babylonian positions A second appendix tries to identify the main authors of the tractates of this first order

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one

simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
