fundamentally the practice of making a very specific type of argument To see how this works we will deep dive into how filmmakers are trained and taught to think about filmmaking and what traditions they knowingly or unknowingly follow We will look at hundreds of films and some major case studies including Toy Story 3 Schindler s List Raiders of the Lost Ark Amour and mother to explore how and what films argue and why knowing this can both unlock both a greater appreciation of the form and improve the impact your films make *The Stamp Collectors' Fortnightly and International Stamp Advertiser*
