Oracle applications user's guide, 1996 *Oracle R12 Applications DBA Field Guide* Elke Phelps, 2010-08. Oracle R12 Applications DBA Field Guide is the second edition of the guide updated to provide the details needed to administer Oracle E Business Suite Release 12. The book includes guidelines and references to guide you through the management and deployment of Oracle Applications Release 12. Included in the guide are topics ranging from architecture configuration, installation, cloning, patching, monitoring, troubleshooting, to performance tuning. The new edition provides essentials for administering the updated Applications tier and technology stack, including Oracle 10gAS and Oracle Database 11g. Even for the experienced database administrator, Oracle Applications are complicated to administer and most documentation that is available is difficult to find and understand. Whether you're an experienced Oracle Applications DBA or a new to Oracle Applications, perhaps experienced with PeopleSoft, JD Edwards, or Siebel, this book will enable and ease the administration and efficiency of your day-to-day tasks.

Oracle Financials 11i, 2nd Edition Srikanth Peri, 2012-05-01. This is not a reading book. Don't read this book. Instead, use your Oracle Applications and work on it. This book has emphasis on learning the E Business Suite by using the "Just get on and Start doing" approach. Learning real software applications goes on only through active participation and practice. Pay attention to the details and fields and options buttons available on the screens and learn their navigation and make the logical grouping of the screens and the navigational paths. Implement your learning to the live systems as they are having the similar setups. Critical Acclaim for this book. 2nd Edition. This book is superb in focusing on Oracle Applications basics and masters the functionality of Oracle Apps. It is easy to follow and explanations are very clear. I recommend this book for any new consultant in Financials or Distributions areas. This book can be used as very good reference material.
