## Poshida Raaz In:

The Glory of our Story , We each one of us have our own stories Everyone knows the story of some people whereas the story of some people is unheard Some people are like an open book and some people are a mystery box full of surprises I always loved sharing my stories with family friends and peers whether it maybe a sad story or the one full of amusement And that s why I like living my life openly with no hesitations I was not amazed with their reaction though since I am the speaker I always had to prepare for a criticism But also this didn t stop me sharing my feelings freely In this world Women Empowerment is a critical issue And Women have always proved their worth whether it be economically or in gender equality and we should admire their perseverance and beauty I was brought up in a place where I faced daily discrimination and criticism just because I am a girl Although as I grew up I learned how important it is to break the stereotypes So I came up with the title The Glory of our Story as we are the first one to understand how important our story to be heard is filled with the jars of emotions Let each story of ours glorify in the world with a brightest ray of joy
