At the Maze's Center Ruby Duvall, 2021-10-01 A nightmare he cannot escape Before earning his position as a commander in the new empress's forces Jun spent most of his life as a roaming mercenary on the run from a past that holds his heart hostage So when rumors of lust eating demons emerge from the land of his youth he embarks on a mission for redemption only to find himself face to face with a woman he thought long dead a woman who hasn't aged in twenty years A curse she can't break Magic has only ever betrayed Mikari turning her own heart against her Unable to trust herself or the true motives of the only man she's ever loved Mikari knows the best way to protect them both is to push him away lest he discover how broken she is beneath her jade facade An evil only they can face But when Mikari and Jun are attacked and forced to spend the winter in the highlands of Gozu they discover something far more sinister than demons may be behind the evil that surrounds them And Mikari's curse could be the key to vanquishing it At the Maze's Center is a full length dark lite fantasy romance featuring demons magic battles and a steamy second chance romance between two long lost lovers who tragically reunite as enemies If you like angst slow burns forced proximity loads of spice and a grumpy sunshine vibe you'll love At the Maze's Center

Lord of the Isle Nicholas Courtney, 2013-12-01 Born to an immensely rich Victorian industrial family Colin Tennant used his wealth to live an eccentric lifestyle of self indulgence from the 1940s to his death in 2010 He bought the private island of Mustique in the West Indies and made it one of the most exclusive destinations for the famous royalty film and pop stars international businessmen and jet setters flocked there His parties were legendary He was an original member of the Princess Margaret set even suggested as a possible husband and her visits to the island were always newsworthy As Tennant's literary executor Nicholas Courtney personally knew his subject and had access to unseen family papers and photographs He tells the inside story of Tennant's remarkable and often tragic life which continues to cause ripples even after his death

Popobawa Katrina Daly Thompson, 2017-02-06 Bravely takes on not the legendary shapeshifting creature spoken about sporadically on the Swahili coast of Tanzania but rather popobawa discourse The Journal of Modern African Studies Since the 1960s people on the islands off the coast of Tanzania have talked about being attacked by a mysterious creature called Popobawa a shapeshifter often described as having an enormous penis Popobawa's recurring attacks have become a popular subject for stories conversation gossip and humor that has spread far beyond East Africa Katrina Daly Thompson shows that talk about Popobawa becomes a tool that Swahili speakers use for various creative purposes such as subverting gender segregation advertising homosexuality or discussing female sexuality By situating Popobawa discourse within the social and cultural world of the Swahili Coast as well as the wider world of global popular culture Thompson demonstrates that uses of this legend are more diverse and complex than previously thought and provides insight into how women and men communicate in a place where taboo prohibition and restraint remain powerful cultural forces While Popobawa surely belongs to one of the most interesting African legends Katrina Daly Thompson instead of asking

where the story originated asks about how people talk about this trickster and what these conversations really mean Claudia Boehme University of Trier A well researched and well documented addition to the body of knowledge on local legends and their global manifestations Journal of Folklore Research Thompson s movement between local and global discourses demonstrates the importance of a phenomenon that could otherwise be viewed as exotic ethnographic trivia while her theoretical orientation makes the text as relevant to linguistic anthropologists as to African studies scholars African Studies Review Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Dreams Edwin M.
