Postcards From Asgard:

Postcards from Asgard Amalia Dillin, 2014-11-01 Ordinarily Gwen likes goats even makes her living by milking them but these two are some kind of devil spawn and one of them is pawing the ground horns aimed at her guts The fact that they were followed by a blonde farmhand with a much too charming smile isn't all that much of an improvement either But Thjalfi makes himself useful He's lean and smart with a warmth in his pale blue eyes that makes her shiver and she can't deny that he has a way with her horses He seems to have a way with her too There's just one problem Thjalfi is a slave a bondservant to the god of thunder Thor and no matter how far they fall in love he can't stay But this so called god who owns him He's about to learn just how far a Midwestern girl will go to free the boy she loves *Postcards from Valhalla* Danny
