Powwowing Among the Pennsylvania Dutch David W. Kriebel,2007 Known in Pennsylvania Dutch as brauche or

braucherei the folk healing practice of powwowing was thought to draw upon the power of God to heal all manner of physical and spiritual ills Yet some people believed and still believe today that this power to heal came not from God but from the devil Controversy over powwowing came to a climax in 1929 with the York Hex Murder Trial in which one powwower from York County Pennsylvania killed another powwower who he believed had placed a hex on him In Powwowing Among the Pennsylvania Dutch David Kriebel examines the practice of powwowing in a scholarly light and shows that contrary to popular belief the practice of powwowing is still active today Because powwowing lacks extensive scholarly documentation David Kriebel descriptions of powwowing as it was practiced in years past compared with the practice today a discussion of the belief of powwowing as healing and a discussion of the future if any of powwowing and what it will take for powwowing to continue to survive **America Bewitched** Owen Davies,2013-02-21 The first major history of witchcraft in America from the Salem witch trials of 1692 to the present day **Pow-Wow** Ishmael Reed,2009-01-27 Using the yardstick that a short story is any fiction under 15 000 words Ishmael Reed with the assistance of Carla Blank has assembled an anthology that reexamines the history of the form across a broader more inclusive spectrum The result is a collection that stretches the boundaries of the American literary landscape including work ranging from animal stories of the Northwest Coast Eyaks to African American folklore to reflections on the American Muslim experience Pow Wow is the sequel to Reed s From Totems to Hip Hop A Multicultural Anthology of Poetry Across the Americas 1900 2002 a volume that included both Tupac Shakur and T S Eliot and was named one of the best poetry anthologies of 2003 by Library Journal Its fiction focused follow up once again demonstrates the broad range of American writing from such stellar names as Langston Hughes Gertrude Stein Russell Banks and Alejandro Murgu to newly discovered writers of all races genders and backgrounds By presenting many different sides to the American story the fiction of these writers challenges official history shatters accepted myths and provides alternatives to mainstream notions of personal and national identity Gathering these voices together Pow Wow offers a fascinating and vital opportunity to traverse the fault lines that separate distinguish and define a nation made of many Americas Magic, Power, Language, Symbol Patrick Dunn,2008 All forms of magic are linked to language As a magic practitioner and a linguist Patrick Dunn illuminates this fascinating relationship and offers breakthrough theories on how and why magic works Drawing on linguistics and semiotics the study of symbols Dunn illuminates the magical use of language both theoretically and practically He poses new theories on the mechanics of magic by analyzing the structure of ritual written signs and sigils primal language incantations across cultures Qabalah and gematria Hebrew numerology and the Enochian vocabulary This revolutionary paradigm can help magicians understand how sigils and talismans work compose Enochian spells speak in tongues for magic create mantras work with gematria use postmodern defixios and refine their practice in countless other ways Magic Power Language Symbol is a unique tour de force that reinterprets the very nature of magic placing it within the modern sciences of symbolism semiotics and language linguistics Within this paradigm Dunn

explains something that most other books miss a logical and scientific understanding of how and why real magic actually works Donald Michael Kraig author of Modern Magick *Doo Doo That Voodoo* , Grimoires ,2010-09-23 What is a grimoire The word has a familiar ring to many people particularly as a consequence of such popular television dramas as Buffy the Vampire Slayer and Charmed But few people are sure exactly what it means Put simply grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia At their most benign they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and worst of all to call up and make a pact with the Devil Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day But the grimoire represents much more than just magic To understand the history of grimoires is to understand the spread of Christianity the development of early science the cultural influence of the print revolution the growth of literacy the impact of colonialism and the expansion of western cultures across the oceans As this book richly demonstrates the history of grimoires illuminates many of the most important developments in European history over the last two thousand years **The "pow-wow" Book** Ammon Monroe Aurand,1929 The World of Lore: Wicked Mortals Aaron Mahnke,2024-10-08 A chilling lavishly illustrated who s who of the most despicable people ever to walk the earth featuring stories from the Lore podcast now a streaming television series including Black Stockings Half Hanged and The Castle as well as rare material Some monsters are figments of our imagination Others are as real as flesh and blood humans who may look like us who may walk among us often unnoticed occasionally even admired but whose evil deeds and secret lives once revealed mark them as something utterly wicked In this illustrated volume from the host of the hit podcast Lore you ll find tales of infamous characters whose veins ran with ice water and whose crimes remind us that truth can be more terrifying than fiction Aaron Mahnke introduces us to William Brodie a renowned Scottish cabinetmaker who used his professional expertise to prey on the citizens of Edinburgh and whose rampant criminality behind a veneer of social respectability inspired Robert Louis Stevenson s classic novella Strange Case of Dr Jekyll and Mr Hyde Then there s H H Holmes a relentless and elusive con artist who became best known as the terror of Chicago s 1893 World s Fair when unwitting guests were welcomed into his hotel of horrors never to be seen again And no rogues gallery could leave out Bela Kiss the Hungarian tinsmith with a taste for the occult and a collection of gasoline drums with women s bodies inside Brimming with accounts of history s most heinous real life fiends this riveting best of the worst roundup will haunt your thoughts chill your bones and leave you wondering if there are mortal monsters lurking even closer than you think The World of Lore series includes MONSTROUS CREATURES WICKED MORTALS DREADFUL PLACES **John George Hohman's Long Lost Friend** Johann Georg Hohman,1930 **Witchcraft** Marion Gibson,2024-01-16 National Bestseller A New Yorker Best Book

of 2024 A thought provoking and timely The Times London global history of witch trials across Europe Africa and the Americas told through thirteen distinct trials that illuminate a pattern of demonization and conspiratorial thinking that has profoundly shaped human history This inventive and compelling The Times Literary Supplement London work of social history travels through thirteen witch trials across history some famous like the Salem witch trials and some lesser known on Vard island Norway in the 1620s where an indigenous Sami woman was accused of murder in France in 1731 during the country s last witch trial where a young woman was pitted against her confessor and cult leader in Lesotho in 1948 where British colonial authorities executed local leaders Exploring how witchcraft was feared then decriminalized and then reimagined as gendered persecution Witchcraft takes on the intersections between gender and power indigenous spirituality and colonial rule political conspiracy and individual resistance Offering a striking dramatic journey unspooling over centuries and across continents Witchcraft is a well rounded insight into some of the strangest and cruelest moments in history Buzz Magazine giving voice to those who have been silenced by history
