Manufacture of nourishing and pure natural soaps for the skin, 2024-04-21 introduction The Beauty of Pure Handmade Soap If you've picked up this book there's a good possibility that you're consciously choosing to reduce synthetic ingredients in your life Handmade soap lathers and cleanses just as well as commercial soap but doesn't have harsh ingredients and you can mix and match the ingredients to come up with a soap that is just right for you For example coconut oil is a great cleanser and produces good lather but used at 100 percent it can feel drying to some skin To balance it out you can combine it with a myriad of other oils that are gentler Olive oil for example is commonly used because skin loves it and it creates a stable conditioning bar Avocado oil sweet almond oil and rice bran oil contain vitamins and skin loving fatty acids and they're cost effective Castor oil adds extra bubbles Shea butter and cocoa butter have wonderful moisturizing properties With homemade soaps you control the additives Ingredients such as coffee grounds and crushed walnut shells add gentle exfoliating power Oatmeal can provide soothing relief for itchiness Infused oils provide extra moisturizing and calming properties for difficult skin Having a pharmacopoeia of custom made natural soap ingredients means you can create the best product for your skin using different formulas as needed This book contains over 30 fully tested recipes for almost every skin type and occasion Another reason to make your own soap is that it's an environmentally sound practice In the past few years an entire population of soapmakers has picked up the hobby and even entered the business of soapmaking because they were concerned about a variety of issues including the use of phosphates which are linked to algae bloom in rivers and streams Many people also wanted to use ingredients that had not been tested on animals and did not threaten natural resources Even using all natural ingredients can have an environmental impact to consider For

instance more than half of the recipes in this book are made without palm oil for those who are concerned about the link between palm oil production and the declining ecosystem of orangutans. Orangutans have become the poster child for this issue because nearly 90 percent of their habitat has been destroyed by unsustainable logging in Sumatra and Borneo, placing them on the Endangered Species list. This mass deforestation also affects the habitats of Sumatran tigers, sun bears, clouded leopards, and proboscis monkeys. Making soap with or without palm oil is a personal choice while it is possible to soap without palm oil, there is often a trade off for bar hardness and lather. One option is to purchase certified sustainable palm oil to use in your soapmaking. See *What Is Sustainable Palm Oil*. Knowing the source of your ingredients allows you to make products exactly the way you want them and make them in good conscience. **The Riches of France** Maribeth

Clemente, 1997-07-15 For travelers and Francophiles alike, this guide to the best products in 21 regions of France, from Provence to the Loire Valley, from Alsace to the Alps, introduces the culture of the country through centuries-old craftsmanship. Complete with details on exchange rates, shipping, French customs, and touring, the book is invaluable for the browser, serious shopper, or armchair traveler with a love of all things French. **A Winter in the Middle of Two Seas**

Ronald W. Kenyon, 2010-08-30 A Winter in the Middle of Two Seas: Real Stories from Bahrain was written during and after the author's four-month stay in the Middle Eastern island kingdom of Bahrain. With a photographer's eye, a journalist's nose for news, and a poet's way with words, Ronald W. Kenyon recounts his observations and displays his insightful understanding of Arab and Islamic culture, customs, and religion, with particular emphasis on Bahrain. In a wide-ranging series of vignettes and anecdotes, the author takes the reader from the temples and towns of the 5,000-year-old Dilmun civilization to the glitz of twenty-first-century shopping malls. He offers vivid descriptions of sanguinary religious rites, the tribulations of haggling with a taxi driver whose fare has to be paid in three different currencies, and his body clock's disorientation from dealing with three different weekends. While not a guidebook, *A Winter in the Middle of Two Seas* is a meticulously researched primer for anyone visiting or working in Bahrain or the armchair traveler who wants to learn more about current events in the Middle East than what appears in the mainstream media. In the last chapter of the book, entitled *The Truth about Bahrain*, the author strives for objectivity, attempting to set the record straight by placing the current events in Bahrain in their historical, geopolitical, and religious context. The author is optimistic about the future of Bahrain and dedicates his book to the people of Bahrain in the earnest hope that they may, with God's grace, achieve everlasting harmony. The Science of Cleaning: Use the Power of Chemistry to Clean Smarter, Easier, and Safer-With Solutions for Every Kind of Dirt Dario

Bressanini, 2024-05-21 The definitive science-backed guide to cleaning everything in your home in a safe, sustainable, evidence-based way. A great reference for anyone stumped by reluctant to leave dirt and far cheaper than hiring a professional. Booklist: Countless cleaning hacks for every kind of household dirt may vie for our attention, but how do we know which ones really work and which ones will only leave you with a sticky mess that doesn't actually do the job? Scientific evidence comes to the

rescue as chemistry professor Dario Bressanini teaches you everything worth knowing about cleaning agents and processes and dispels plenty of myths too He answers all of our most pressing housekeeping questions Is it more efficient to wash dishes in the sink or in the dishwasher Does bleach remove dirt Which cleaning supplies should I buy and which can I make at home Can vinegar and baking soda actually unclog your drain How can I most effectively tackle different types of stains What can get rid of that stuff on my showerhead Bressanini covers subjects like these by digging into chemistry basics such as solubility pH and concentration bringing them out of the classroom and into the real world chores that we deal with every day Laundry dishes sinks bathtubs counters floors and more no matter what you re cleaning this book explains how to choose the right tools for the task save yourself unnecessary effort and stay eco friendly by avoiding waste The Science of Cleaning reminds us that science can be both useful and exciting With Bressanini s help you can keep your home your belongings and yourself clean with the confidence that only centuries of advancements in chemistry can provide Provence A-Z Peter Mayle,2008-12-02 The ultimate dictionary for lovers of Provence Peter Mayle s personal selection of the foods customs and words he finds most fascinating curious delicious or just plain fun Though organized from A to Z this is hardly a conventional work of reference In more than 170 entries Peter Mayle bestselling author of A Year in Provence writes about subjects as wide ranging as architecture and zingue zingue zoun in the local patois a word meant to describe the sound of a violin And of course he writes about food and drink vin ros truffles olives melons bouillabaisse the cheese that killed a Roman emperor even a cure for indigestion Provence A Z is a delight for Peter Mayle s ever growing audience and the perfect complement to any guidebook on Provence or for that matter France Ayurveda Vinod Verma,1995-01-01 An introduction to the spiritual outlook diet and general lifestyle of Ayurveda The book includes diagnoses and recipes for treating basic problems and herbal cures for a range of ailments such as asthma insomnia sinusitis and others The Illustrated Cottage Nina Williams,2000 Nina decorated the family cottage as a life size storybook complete with characters and landscapes from the tiny Proven al village of Sault circa 1918 At the same time she turned the home into an open airy and beautiful place to live
