Translingual Catholics

Jin Lu, 2025-02-15 Translingual Catholics explores the life experiences and theological writings of twentieth century Chinese Catholic intellectuals and their impact on global Catholic theology Weaving together archival resources in Chinese French and English Translingual Catholics examines the precconciliar theological contribution of Republican Era Chinese Catholics to global Catholicism and to the dialogue between Christianity and Chinese spiritual traditions Author Jin Lu sheds light on generations of multilingual Chinese Catholic intellectuals who participated in the elaboration of Catholic theology leading up to the Second Vatican Council This book situates the lives and works of these theologians in the intersecting global Catholic networks of the time especially the Jesuit enclave of Xujiahui in Shanghai the Benedictine Abbey of Saint André in Bruges Belgium the Jesuit Theologate in Lyon Fourvière and the ecumenical Cercle Saint Jean Baptiste in Paris By studying the

interconnectedness of Chinese Catholic theologians working in multiple languages Lu demonstrates that inculturation is necessarily a translingual process Through its groundbreaking archival research *Translingual Catholics* tells the story of these underappreciated intellectuals and uncovers significant contributions to Chinese and global Catholic theology *The Chinese Gazette in European Sources* Nicolas Standaert, 2022-01-31 The Chinese gazette as a publicly available government publication was distributed in a variety of formats since the twelfth century Little is known however about its form and content before 1800 By looking at China from the periphery this study shows how European sources offer a unique way of expanding the knowledge about the gazette of the seventeenth and eighteenth centuries Its interconnected history illustrates how the Chinese gazette as translated by European missionaries became a major source for reflections on state and society by Enlightenment thinkers It thus joined a global public much earlier than so far assumed *Sortition and Democracy* Liliane Lopez-Rabatel, Yves Sintomer, 2020-02-10 After two centuries during which it had nearly disappeared in Western countries sortition is used again as a method of selecting people who could speak for and in certain cases decide for all the citizenry What is the meaning of this comeback To answer this question this book offers a historical analysis It brings together a number of the best specialists on political sortition from antiquity to contemporary experiments in Europe but also in the Ancient Middle East and in imperial China With a transdisciplinary perspective this volume demonstrates that sortition has been a crucial device in political history that the instruments and places where sortition was practised matter for the understanding of the social and political logics at stake and that these logics have been quite different random selection being sometimes an instrument of radical democracy and in other contexts a tool for solving conflicts among elites Will sortition in politics help to democratize democracy in the twenty first century *Inuit Stories of Being and Rebirth* Bernard Saladin d'Anglure, 2018-11-30 Ujarak Iqallijuq and Kupaaq were elders from the Inuit community on Igloodik Island in Nunavut The three elders among others shared with Bernard Saladin d'Anglure the narratives which make up the heart of *Inuit Stories of Being and Rebirth* Through their words and historical sources recorded by Franz Boas and Knud Rasmussen Saladin d'Anglure examines the Inuit notion of personhood and its relationship to cosmology and mythology Central to these stories are womb memories narratives of birth and reincarnation and the concept of the third sex an intermediate identity between male and female As explained through first person accounts and traditional legends myths and folk tales the presence of transgender individuals informs Inuit relationships to one another and to the world at large transcending the dualities of male and female human and animal human and spirit This new English edition includes the 2006 preface by Claude Lévi Strauss and an afterword by Bernard Saladin d'Anglure [Étudier la religion au Québec : regards d'ici et d'ailleurs](#) Jean-Philippe Perreault, 2020-11-27 T00:00:00-05:00 Affirmer que nous sommes au seuil d'une nouvelle époque dans l'étude scientifique du religieux au Québec serait sans doute exagérer Quelques observations le suggèrent néanmoins reconfigurations institutionnelles dont les effets demeurent difficiles à valuer fermetures de facultés et ouvertures de centres

Missions au pays de la soie Chuan-hui Mau, Pierre-Etienne Will, 2017 Les contributions ce volume ont leur origine dans un colloque organis en 2004 au Coll ge de France Elles revisitent et

mettent en perspective un épisode peu connu l'ambassade envoyée en Chine en 1843 par le gouvernement Guizot dans le but de recueillir les mêmes avantages que les Anglais au traité de Nankin un an plus tôt et en même temps de trouver des débouchés pour les productions françaises et d'enquêter sur les méthodes réputées supérieures de la sériciculture chinoise. Si les aventures de l'ambassade Lagren et de la délégation commerciale qui l'accompagnait n'ont pas eu en fin de compte un très grand impact sur le cours de l'Histoire, elles n'en offrent pas moins une vocation haute en couleur des premiers contacts entre la Chine et la France à l'époque contemporaine et des efforts de la monarchie de Juillet pour prendre pied économiquement et politiquement dans une région où l'influence britannique dominait depuis longtemps.

Le présent ouvrage est le fruit de la réflexion d'une vingtaine de chercheurs provenant de différents pays sur les rencontres et les échanges entre ces deux mondes depuis les voyages du célèbre Marco Polo jusqu'à nos jours. Il porte principalement sur l'évolution de la représentation de la Chine en Occident sur les plans philosophique, littéraire ou sinologique et sur différentes activités missionnaires en Chine tout en accordant une place particulière aux échanges commerciaux, politiques et culturels entre les deux mondes. Le présent livre a pour objectif de mettre en lumière différentes facettes de ces relations entre la Chine et l'Occident.
