Robert Kennedy His Life:

Robert Kennedy Evan Thomas, 2002-09-10 Robert Kennedy has been viewed as hero and villain Thomas's achievement is to portray RFK as a human being an extraordinarily complex man who was at once kind and cruel devious and honest fearful and brave

Robert Kennedy James Hilty, 2000-04-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brother to the forceful man who ran the family business orchestrating the Kennedy quest for political power The centerpiece of the book is the remarkable political partnership that formed between Robert and John As the manager of John's political campaigns Robert proved himself hard as nails in his father's admiring words relentless in securing his brother's victory and unforgiving in overseeing his brother's presidency Hilty marshals a great deal of evidence to show that while they did not always see eye to eye Lyndon Johnson's selection as John's running mate being a notable disagreement Robert and John discussed virtually every issue gauging the likely political effects of every position Robert was so close to the President that insiders called him number one and a half their consultations were so intimate that they spoke in a kind of code barely intelligible to those around them In Hilty's evocative but unsentimental recounting of the political crises of the Kennedy Administration Robert and John prove to have been more calculating and astute leaders than today's pundits allow Theirs was a partnership that was unprecedented and thanks to an act signed into law by Lyndon Johnson is never to be equaled The Kennedy family's story seems to have been lived in the public eye and Americans apparently never tire of the photographs and familiar anecdotes Most of the written accounts however either highlight the multiple tragedies and scandals preserve the latter day Camelot myth or follow the elusive traces of some conspiracy In contrast Hilty's concern is for historical perspective for accuracy plausibility and thoroughness With facts and reasoned conclusions he challenges the stories about the Kennedys in relation to Marilyn Monroe J Edgar Hoover and Martin Luther King Jr that have passed into American folklore He develops a portrait of Robert Kennedy as a complex public figure a man of centrist political allegiances and firm moral convictions who easily adapted to the crusader's role in working for Joseph McCarthy or pursuing James Hoffa for racketeering Hilty's great care in sifting through the evidence and weighing competing theories gives us a sense of Kennedy as a public servant whose dedication to social justice intensified after he was in office and further deepened after his brother's assassination Even as he took charge of family matters and supported Jacqueline during the long ordeal of the state funeral Robert's own crushing pain was evident to the world It was then that Bobby ceased being a disparaging term and became a mark of respect and affection

The Editors of TIME, 2018-05-11 He was a man of seeming contradictions Born to great wealth Bobby Kennedy made common cause with the least fortunate Initially viewed as ruthless over time he became deeply concerned with the plight of others and he struggled to find realistic political solutions to their problems He loved a crusade and in his early years in public life he opposed communism corrupt labor union leaders and organized crime Later he found larger more complex targets to address racism poverty institutional indifference Most important he challenged all of us to join him not simply in imagining a better world for all but in doing the difficult everyday work of making those visions reality Fifty years after Bobby Kennedy's assassination celebrate his legacy with this special edition TIME Robert F Kennedy **Killing Congress** Nancy E.
