In his 2009 wave maker *Swallow This*, Mark stirred things up even more to the delight of consumers. Now comes the second edition and it's a doozy. Among its new material are topics such as how to fix wine if you don't like it, wine selection and pricing ratings for major retail chains, additional food and wine pairing guidelines, how global warming is significantly changing wine growing regions, and a list of restaurants with the best deals on wine in the major metros of every state. Mark offers a whole new approach to wine which flies in the face of what has been traditionally taught and serves as a practical and empowering alternative. Witty, unique, and never boring, *Swallow This* will change the way you think about wine.
