

PERSONAL MISSION STATEMENT

A personal mission statement defines your purpose. It explains what you want to achieve in your life, career, personal relationships, and so on.

EXAMPLE 1

"I will be generous with my time both with family and strangers. I will consciously and intentionally spend quality time with my parents, my wife, and my children. I will pass-on love of life and self-belief to my children by living as a positive example. I will commit my career to working on projects that are meaningful to me."

EXAMPLE 2

"I will strive to live a life that is consistent with my own values and ethics. To achieve this, I will ensure I reflect every day on how my daily actions and interactions with others will reflect upon me, and whether they're consistent with who I strive to be. By living by example, I will maintain personal integrity throughout my life."

The 7 Habits have become famous and are integrated into everyday thinking by millions and millions of people. Why? Because they work. With Sean Covey's added takeaways on how the habits can be used in our modern age, the wisdom of the 7 Habits will be refreshed for a new generation of leaders. They include Habit 1: Be Proactive, Habit 2: Begin with the End in Mind, Habit 3: Put First Things First, Habit 4: Think Win-Win, Habit 5: Seek First to Understand, Then to Be Understood, Habit 6: Synergize, Habit 7: Sharpen the Saw. This beloved classic presents a principle-centered approach for solving both personal and professional problems. With penetrating insights and practical anecdotes, Stephen R. Covey reveals a step-by-step pathway for living with fairness, integrity, honesty, and human dignity—principles that give us the security to adapt to change and the wisdom and power to take advantage of the opportunities that change creates.

The Leader in Me Stephen R. Covey, 2008-11-18. The world has entered an era of the most profound and challenging change in human history. Most of our children are not prepared, and we know it. Parents around the world see the change and know that the traditional three R's—reading, writing, and arithmetic—are necessary but not enough. Their children need to become far more responsible

creative and tolerant of differences They need to increase their ability to think for themselves take initiative get along with others and solve problems Business leaders are not finding people whose skills and character match the demands of today s global economy including strong communication teamwork analytical technology and organizational skills They need young people who are self motivated creative and have a strong work ethic How will we bridge this ever widening gap The Leader in Me is the story of the extraordinary schools parents and business leaders around the world who are preparing the next generation to meet the great challenges and opportunities of the twenty first century In 1999 the A B Combs Elementary School in North Carolina was on the verge of being cut as a magnet school and needed to find new ways to educate its students Teachers and administrators began teaching practical principle based leadership skills with remarkable results In a short time the number of students passing end of grade tests vaulted from 84 to 97 percent Simultaneously the school began reporting significant increases in students self confidence dramatic drops in discipline problems and striking increases in teacher and administrator job satisfaction Parents meanwhile reported equivalent improvements in their children s attitudes and behavior at home As news of the school s success spread schools around the world began adopting the mantra to develop leaders one child at a time Business and civic leaders started partnering with schools in their communities to sponsor teacher training and student resources Each school and family approached the principles differently but the results were the same attentive energized young people engaging in the world around them The best way to prepare the next generation for the future is to emphasize the value of communication cooperation initiative and unique individual talent for nothing undermines confidence more than comparison Whether in the classroom or at home it is never too early to start applying leadership skills to everyday life Drawing on the many techniques and examples that have already seen incredible success around the world The Leader in Me shows how easy it is to incorporate these skills into daily life It is a timely answer to many of the challenges facing today s young people businesses parents and educators one that is perfectly matched to the global demands of the twenty first century
