At a time when so much manliness is played out on computer keyboards and TV or videogame remote controls it takes a certain degree of grit and guts and plain pigheadedness to pull up stakes and move to the country For those brave souls the backward looking gentleman farmers of our fast forward looking age Roger Welsch has a few choice words To homestead in the Old West the saying went all you needed was forty acres and a mule For the 21st century Welsch contends that instead of a beast of burden one only needs the stubbornness of being a fool In several hilarious essays Welsch presents a guy s guide to leaving modern miracles behind and embracing productive Ludditism Made famous by his laconic pieces on CBS Sunday Morning while wearing his signature overalls Welsch takes on new subjects and even elaborates the principles of feng shui for the farmhouse barn and farmyard He draws on a lifetime s worth of experience
