understanding the concepts covered in this book **An Insider's Guide to the Mining Sector** Michael Coulson, 2008-08-26 In 2003 four mining shares rose over four times in price with one gaining ten times In just the first two months of 2004 26 mining shares increased more than 20% with five shares doubling Merrill Lynch's World Mining Trust is the UK's best performing fund over the past three years having risen by over 200 per cent But is the mining boom about to end Not according to this book by Michael Coulson Chairman of the Association of Mining Analysts Coulson argues that if anything we are still in the early stages of prolonged strength in mining stocks and despite what some commentators are saying the boom is far from over FROM THE BACK COVER The prospect of instant riches gives the mining sector an obvious glamour And when the mining sector begins to run it can be an awesome sight and the excitement generated can be every bit as seductive and heady as that which enveloped markets during the internet boom But due to the counter cyclical nature of many mining stocks they can also offer a valuable refuge when stock markets turn down In this book Michael Coulson gives a masterly overview of the sector explains both the rewards and the pitfalls of investing in mining shares and argues convincingly that mining should once again form a core sector for all investors The book is for anyone interested in mining and particularly mining as an investment Whilst it contains material which will be useful to even experienced followers of the sector its main target is those who are interested in mining but perhaps not particularly familiar with the sector and would like to know more All the subjects are covered that are fundamental to acquiring sufficient knowledge about the mining sector to invest in it with confidence While the mining sector is still in the early stages of its boom **An Insider's Guide to Islam** Yushau Sodiq, 2010-12 Islam the religion of total submission to God is the belief of more than one fifth of all human beings and is the second largest religion in the world Despite its large number of followers little was known about it in America until after the tragic event of September 11 2001 Unfortunately the media portrayed Islam negatively after September 11th and distorted its true nature Hence some people do not want to hear anything about Islam while many others began to ask many questions about it An Insider's Guide to Islam is a practical guide that explains Islam as understood and practiced by Muslims of diverse background To Muslims Islam is a way of life and a religion of peace which brings tranquility and harmony to their lives Islam is a rich culture and a unique tradition which must be understood on its own merits The author brings insight into what Islam means how it is practiced and its relationship with other religions He also analyzes the concept of Jihad the role of women in Islam and the values that Islam cherishes The development of Islam in America and the roles that Muslims play in the United States are also elaborated upon in this volume Insider's Guide to Passing the California Real Estate Exam Rockwell Publishing Company, 2006-04 **The Insiders Guide to Large Quantity Book Sales** Jerrold R.
