

Anatomy of a Wave Worksheet **Answers**

Objective: Identify the parts of a wave and draw your own diagrams of waves.

Background: Many types of waves exist, including electromagnetic waves and mechanical waves. Waves move in different ways and have different properties.

Part 1

In the diagram below, identify the parts of a wave by using the provided definitions.

- # 5 = crest The highest point of the wave above the line of origin.
- # 2 = trough The lowest point of the wave below the line of origin.
- # 1 = line of origin Signifies the original position of the medium.
- # 3 = wavelength The distance between two consecutive crests.
- # 4 = amplitude The distance from the line of origin to a crest or trough of a wave.

Part 2

On separate sheets of graph paper, draw four different waves with the following measurements. Label the parts and include the measurements.

wave #	crest	trough	wavelength
1	1 cm	1 cm	2 cm
2	3.5 cm	3.5 cm	2.5 cm
3	.5 cm	.5 cm	3 cm
4	2 cm	2cm	.5 cm

Concluding question: State which wave you think has the *highest frequency* and which might have the *lowest frequency*. Explain the reasons for your selections.

#4 has the highest frequency because it has the shortest wavelength, and frequency is inversely proportional to wavelength.

#3 has the lowest frequency because it has the longest wavelength, and frequency is inversely proportional to wavelength.

No Reinforcement Wave Behavior Answers:

This is likewise one of the factors by obtaining the soft documents of this **No Reinforcement Wave Behavior Answers** by online. You might not require more time to spend to go to the book start as with ease as search for them. In some cases, you likewise get not discover the revelation No Reinforcement Wave Behavior Answers that you are looking for. It will very squander the time.

However below, next you visit this web page, it will be thus definitely simple to acquire as capably as download guide No Reinforcement Wave Behavior Answers

It will not endure many times as we explain before. You can attain it though play-act something else at home and even in your workplace. for that reason easy! So, are you question? Just exercise just what we manage to pay for below as skillfully as review **No Reinforcement Wave Behavior Answers** what you subsequent to to read!
