embodiment of everything he thought he couldn't have. Nothing makes sense anymore, not his goddess, not the local Cougar dynamics, and certainly not his feelings. How can Hank lead a group of restless shapeshifters if he can't even get his own house and heart in order?

**Desert Guards** Holley Trent, 2022-08-30 The sons of the fallen angel Gulielmus thought they were just taking out some supernatural trash in Eastern North Carolina. A year later, the effects of their brawl reverberate half a country away in New Mexico. Fortunately, the trouble surfaces in the best possible place: on the ranch of one of Maria's oldest shapeshifter families. THE COUGAR S PAWN Cougar shifter Mason Foye's father died, leaving him the heir apparent of the alpha position of a group of mutinous cats. Now the absentee goddess who originated the species is sending him on an ill-timed mate hunt. And for once, her message is clear: convince stranger Ellery Colvard to become his mate, or else. THE COUGAR S TRADE Hank Foye can't find the logic in the goddess La Bella Dama pairing a shapeshifter group's second in command with a meek and quiet human nurse. Given the chaos at home on the ranch and inside the Cougar group, Miles Bennet is a liability. He may have escaped being cursed, but he still has to get his house and heart in order. And Miles isn't going to make it easy for him. THE COUGAR S BARGAIN Hannah Welch, doomed cougar shifter Sean Foye, to spend the rest of his life in his animal form when she refused to accept him as a mate. To make peace with her new community, she bargains with La Bella Dama to free Sean from his furry affliction. The price? Finding him a more suitable mate. But now Hannah's not so sure she should give him up. THE COUGAR S WISH A desperate entity trapped in a hellmouth pleads for cougar shifter Belle Foye's help. Former soldier Steven Welch's job is to keep her away from the hellmouth by any means necessary. It's just his luck that the bold and reckless alpha's sister has taken a shine to him and that his own secret supernatural situation could compromise everything they're working for.

fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking. The social expectations of fathers start even before the children are born. Mr Mom is now displaced with fathers who don't think of themselves as babysitting their own children but as central decision makers along with mothers as parents.

**Deconstructing Dads: Changing Images of Fathers in Popular Culture** is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture. This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures. Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films. The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay men as dads and Latino fathers in film. This collection examines the media's depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles.
