Brown,2023-11-15 TRIGGER WARNING TRIGGER WARNING I CANNOT SEE BECAUSE THE DARKNESS IS BLINDING ME Mental health has become a global crisis affecting millions in various ways The rising prevalence of mental illness continues to fuel stress depression and anxiety igniting a relentless fire of suffering However rather than succumbing to the flames one can fight back with joy proving that resilience has the power to overcome even the darkest struggles This growing epidemic underscores the urgent need for more effective solutions In response Madison Carter takes a unique and impactful approach by documenting real life experiences and sharing them with the world Freedom From Isolation is a raw and gripping collection of Madison Carter s journal entries chronicling real life events marked by violence adult themes comedy desire and loss This bold and unorthodox Christian journal takes readers on an unfiltered journey through the perilous streets of Chicago often referred to as Chiraq

where survival is a daily battle With unrelenting honesty Freedom From Isolation exposes the struggles challenges and obstacles that threaten to consume the soul offering a testament to the resilience needed to break free from mental bondage Through vivid storytelling Madison confronts the curses that have shaped her journey sharing her experiences with fearlessness fierceness and forgiveness Her reflections reveal the power of self awareness purposeful living learning through mistakes and mastering the art of love With unwavering faith she discovers clarity amid adversity embracing the redemptive strength of grace This journal serves as a powerful reminder of how isolating mental struggles can be and the resilience required to reclaim happiness and hope Mistakes are unintentional while decisions are intentional As adults we often make poor decisions that in hindsight feel like mistakes Emotions frequently cloud our judgment leading to self sabotage When the mind is irrational deception breeds delusion resulting in choices we later regret Life is full of ups and downs sending our minds on a never ending merry go round Smiles fade into frowns and spirits drown in despair It becomes difficult to see harder to believe but we must believe in all things Yet do you fear or have an ear The author of Freedom From Isolation challenges readers with thought provoking questions Will you break bend or fold under trials and tribulations What does resilience truly mean Who or what is coming These are pressing concerns yet no one seems to have the answers Extra Extra The world is under attack Black people are under attack Women are under attack Masculinity is under attack Our democracy is under attack And now our children are under attack Behold the FINAL DESTINATION is near At a time such as this we've seen a wave of coaches prophets and so called inspirational leaders claim to have wisdom yet many prove to be hypocrites unworthy of trust Now we face two choices permanent ones with no chance for a redo This journal is not theoretical nor should it be taken lightly The decision is clear Will you endure the heat of the Sauna facing eternal discomfort Or will you settle into the Jacuzzi seeking eternal ease Choose wisely
