Arctic Alpha: MMF Paranormal Menage Romance Kylie Dylan, 2018-02-19 An alpha with an unavoidable Arctic mission A naturalist who will stop him at any cost The wilderness guide who s trapped with them on a long winter s ride Kane Simon has never learned the word no But when his alpha werewolf father dies and leaves conditions to his will Kane finds himself stuck in a sticky situation prove he s not just a spoiled playboy and take responsibility for his father s company and pack Specifically find a vein of the elusive Luprite ore which werewolves need to shift Before his death Kane s father had found several veins suitable for mining the largest one being in the lower reaches of the Arctic Circle But when Kane sees who s sitting beside him on the plane to White Lake Alaska he can t believe his horrible luck Aubrey Sanders environmentalist tree hugger and general pain in the backside Except he can t stop looking at her gorgeous green eyes and something about sitting so close to her is making him desperate for a cold shower Aubrey Sanders is no stranger to Kane or to the Simons company

They've destroyed habitats in the Amazon Africa and the Arctic causing irreparable environmental harm in their frenzy to mine their way to fame and fortune On her way to Alaska to stop him puma shifter Aubrey can't believe she's even letting that mangy wolf sit next to her She needs to dig up evidence against the charming rogue's company that she can use to block their new mine which threatens to wipe out one of the last caribou herds in the area She does not need to be distracted by his wit his gorgeous dark eyes and that body that makes her want to rub herself against him like a cat in heat Thank goodness that when they land they'll each be going their separate ways Wilderness guide Noah Casey has always loved the arctic As an arctic wolf shifter he's more comfortable traveling by dog sled across the snow than being imprisoned within four walls in the city where he grew up But a man's gotta feed his dogs so when he gets two paying clients in one day to deliver to Wolf Peak a week's journey by dogsled into the wilderness he can't very well refuse Except one of those clients turns out to be Kane Simon his deepest crush from high school The guy who never gave him the time of day And the woman something about her was making it hard to keep his wolf inside his skin When Kane and Aubrey realize they've hired the same guide and will be sharing close quarters for the duration of their trip neither one can relax With all the attraction burning the air it's not long before the threesome finds themselves in bed unable to resist the three-way chemistry Their sex is amazing but it soon becomes clear that Aubrey can't find anything to block the building of the mine which will destroy not only the ecosystem but Noah's home And Kane cannot refuse to fulfill his obligation to his father as his pack as their new alpha he must bring them the Luprite It seems like nothing in the world can heal the rift that opens between them darker than the Alaskan winter and wider than the frozen North Reader note contains MMF bisexual menage and hot romance elements including male male love sexy werewolves and feisty puma shifters [The Alpha and Omega](#) Oswald Sequeira,2010-05 The Alpha and Omega is a book about the truth and nothing but the truth the knowledge about truth which is called Wisdom The book starts from the beginning of time The Alpha and takes the reader on a smooth ride down creation of the Universe then with Historical and Archeological proof down ancient times medieval times to current time From there it transports the reader in to the future where we are going and where we will end The Omega It is a unique bold one of a kind Lone Ranger type of book The author after his encounter with death and subsequent survival from two major illnesses which attacked him together began seeking for the truth of life and after four years of dedicated research found it in the sacred books of the four major religions of the world the Bible of Christians the Torah of the Jews the Koran of the Muslims and the Bagavat Gita of the Indian Hindus The truth shocked yet consoled him when he understood that these warring religions are but the four rooms of one single house built on one single foundation yet blocked out from each other Whose builder is the single central figure who is also the Corner Stone He was disappointed to note that the leaders of these religions are aware of this fact yet are misguiding their followers keeping them in darkness to keep them trapped under their own religious banner for ever although it is creating so much of unnecessary chaos in this world This is the purpose of this book

the message that the author wants to spread to the world and not conversion from any faith to any faith However he believes that one religion stands way ahead of the other three because of the solid proof it possesses both historical and archeological The book is a unique amalgamation of the truth derived from these four sacred books and assembled in one place thus saving any truth seeker from the hassle of tedious cross reference into these four books He has also described in simple understandable language some of the visions in the Bible and how they are connected directly with recorded History and can therefore be considered true He has also unmasked the identity of the devil and anti christ and has explained who are the demons ghosts and spirits of the dead the Armageddon and the end of the world Finally he has challenged the reader by throwing an option at him to believe in the truth he the author has presented if the reader wishes thereby acquire peace and tranquility within himself and then be an instrument in spreading it within his circle and world at large for a better tomorrow The author pledged that part of the royalties earned for this book will be given to The Canadian Cancer Society Canada and a charity institution in India
