**Management** Roberta S. Russell,2011-01-25      **Choosing a Research Method, Scientific Inquiry:** Christian S. Yorgure PhD,2018-06-15 This book provides the necessary operational understanding of the methods of research with a rare insight using detailed examples The thirst for education has increased geometrically around the globe In fact governments and advocacy groups see the drive for the attainment of formal training as a social change agent with ramifications in other domains including democratization and more equitable society The success of these campaigns has seen increased programs in colleges and individuals embracing different programs based on cost and convenience and so on Some students work independently with little direction This book is written to serve as a companion providing the necessary guidance on research methods and it is useful for anyone involved in research primarily due to specific examples including case study research utilizing qualitative and quantitative designs      **Distribution and Supply Logistics** Martin Straka,2019-10-21

What is logistics What is distribution and supply What is supply chain management Which elements create distribution and supply space Which aspects affect storage design Which information technologies are suitable for distribution and supply systems What costs affect distribution and supply systems These are just some of the questions explored in this book In addition to providing theoretical analysis of the problems of distribution and supply it practically demonstrates the many ways of using of heuristics to solve specific tasks It brings together eight case studies to investigate facets such as designing distribution systems location problem solving distribution and collection of goods solutions and inventory management solutions in particular companies As such it will appeal to students in the field of logistics as well as logistics managers designers and planners      New Global Perspectives on Industrial Engineering and Management Josefa Mula,Rafael Barbastefano,Manuel

Díaz-Madroño,Raúl Poler,2018-08-29 This book presents the proceedings of the 3rd International Joint Conference ICIEOM ADINGOR IISE AIM ASEM IJC2017 XXIII International Conference on Industrial Engineering and Operations Management
