The Slightly Awesome Teacher Dominic Salles, 2016-08-15 Most books on teaching ask teachers to be inspirational to operate at 100 miles an hour with creativity oozing out of every pore Dominic Salles says that's unsustainable But you can get brilliant results using some simple practices taken from the myriad of educational research on classroom practices It isn't a guide to all the extra stuff you should do to become cool and awesome It is a book that will get you to forget about teaching and think about learning another way of saying it will help you to stop stressing about what you do and get the students to work harder and smarter at what they do Dominic Salles believes that every teacher can be slightly awesome And here he shows you how

The Mindful College Applicant Belinda H.Y. Chiu, 2019-11-14 In a time when crossing guards are posted to prevent high schoolers from jumping in front of trains and parents shelling out 100K for packaged college applications education has become a mad race to grab the Ivy ring Based on experience in admissions with the Ivy League and other highly competitive universities emerging scientific evidence on the impact of emotional intelligence and mindfulness and discussions with admissions officers students families and high school counselors this book is a guide on how to go through the existing however brutish college applications process with less stress and anxiety and more joy and mindfulness Equipped with the powerful tools of emotional intelligence and mindfulness this work acknowledges the reality of what the process is and challenges young people to reach for a more meaningful ideal for themselves This book shares a look at the holistic admissions process and offers an alternative one to the current climate of untenable stress This updated model aims to shift mindsets from treating the admissions process as a ruthless competition with one externally prescribed definition of success to a step in a lifelong journey of curiosity and wonder By building self awareness compassion resilience it's possible to navigate the process with greater authenticity balance and joy
