United States. War Department,      **Training Film Projectionist Manual** United States. Bureau of Naval Personnel,1947  
The 16mm projectionist performs a valuable service to the Navy training program ashore and afloat All the skill of the motion  
picture industry all the skill of the director and actors have gone into the making of a training film All these skills will be lost  
unless the projectionist knows his job Good projection does not call attention to itself poor projection is marked by  
distractions and interruptions These disturbances can be prevented by you if you know your projector and your job This  
manual is not a technical service manual but is intended to provide a general understanding of the problems of 16mm motion  
picture and 35mm filmstrip projector operation It gives many useful and practical hints that will help you the projectionist do  
a better job of showing Navy training films For complete technical information referred to the instruction book that comes
