Oracle 11g Admin Complete Reference Guide:

Pro Oracle Database 11g Administration Darl Kuhn, 2011-09-15 *Pro Oracle Database 11g Administration* is a book focused on results. Author Darl Kuhn draws from a well of experience over a decade deep to lay out real world techniques that lead to success as an Oracle Database administrator. He gives clear explanations on how to perform critical tasks. He weaves in theory where necessary without bogging you down in unneeded detail. He is not afraid to take a stand on how things should be done. He won't leave you adrift in a sea of choices showing you three ways to do something and then walking away. Database administration isn't about passing a certified exam or about pointing and clicking your way through a crisis. Database administration is about applying the right solution at the right time, about avoiding risk, about making robust choices that get you home each night in time for dinner with your family. If you have buck stops here, responsibility for an Oracle database, then *Pro Oracle Database 11g Administration* is the book you need to help elevate yourself to the level of Professional Oracle Database Administrator. Condenses and organizes the core job of a database administrator into one volume. Takes a results oriented approach to getting things done. Lays a foundation upon which to build a senior level of expertise.
