Please note: The length of the school day will be extended for twelve (12) minutes (6 at the beginning of the morning classes and 6 at the end of the afternoon classes) for the 2015-2016 school year. This decision becomes necessary in order to maintain the integrity of the instructional program, remove days during spring break, as possible make-up days, and eliminate the possibility of extending the school day to make up days missed due to inclement weather. The priority make-up days listed, if available, will be utilized first with the implementation of banked days to follow accordingly. Any questions relative to specific schedules should be directed to the appropriate school principal.
