## **Positivity Of Prayer Criticism Of Praying:**

**Positivity of Prayer** Ursula Nelson,2014-12-26 Prayer is a form by which we connect to god and is something individuals do to ask for or give thanks for a want or a sought after or favorable change There are a lot of different ways to pray but they all involve thinking of what you require There are a lot of different ways to view the process of turning our ideas into realities or experiencing them in the tangible world but they all involve thinking of what you wish Read this book and turn your prayers into reality

**Prayers of Jewish Women** Markus H. McDowell,2006 Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women s religious and social roles in the ancient world The texts are analyzed and categorized within five areas social location content form occasion and gender perspective The prayers are also compared and contrasted with men s prayers in the same sources The analysis includes locating as much as possible the historical literary and cultic context of each document in which these prayers appear By examining all prayers in these texts uttered by women not just prayers of named or prominent women and then comparing them with all the prayers of men in those same texts certain patterns appear This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period While there are fewer prayers by women than men in this literature the prayers of women are not portrayed as significantly different from those of men in terms of social location content form or occasion At the same time the prayers of women exhibit other patterns of language and in a minor way form and occasion that differ from the prayers of men

**The Reformation of Prayer among Sixteenth-Century Lutherans** Mary Jane Haemig,2025-03-22 In sixteenth century Germany Martin Luther and his followers engaged in a thorough reform of beliefs and practices related to prayer a reform rooted in Luther s theological insights Rejecting medieval beliefs that saw prayer as a good work Luther and his followers saw prayer as a human response to God s command to pray and promise to hear It was a good work done freely not to earn salvation but rather to converse with God Luther and his followers taught prayer in many different ways They used catechisms and catechesis to teach the basics of Christian belief including the Lord s Prayer They emphasized understanding the petitions of prayer not just reciting words They encouraged the use of the psalms as prayers and produced literature designed to make the psalms accessible and understandable They published prayerbooks to instruct in prayer and offer prayers for a variety of vocations and situations Lutheran sermons taught prayer both on particular occasions and on many Sundays of the church year Worship taught prayer and provided models for prayer Literature for those suffering sickness death plague childbirth and war taught prayer as part of its effort to console Literature for theological students and manuals designed to help pastors in their ministries contained instruction in prayer highlighting the importance of prayer in the life and ministry of the pastor

and helping them to teach prayer This book gives a comprehensive overview of the theological underpinnings for prayer as well as the strategies and literature used by Luther and his followers as they taught prayer to all people     Critical Incidents in Integrating Spirituality into Counseling Tracy E. Tisdale Jr., 2017-02-21 I have discovered that there is a serious misunderstanding when it comes to prayer I had an awakening that it was much much more than what I had been led to believe I received a challenge around the middle of the year of our Lord 1999 from a member of the Rehoboth Baptist Church named Djuana Jackson Tomlin who at the time was wrestling on how to pray effectively She came to me as her pastor and asked Will you teach us about prayer I somewhat ignored her and said within my spirit Everybody know how to pray All she needed to do is get on her knees at night before she goes to bed and pray That was my understanding because that was the way I was brought up as a child My parent taught me before I went to bed to say my prayers I would pray Lord lay me down to sleep I pray the Lord my soul to keep If I should die before I wake I pray the Lord my soul to take Now bless Mama and bless Daddy amen Evidently she had been doing that and more but she was still unfulfilled So she just kept on troubling me with the question When are you going to teach us how to pray This went on for some four to five months Upon her persistence to be taught on prayer a study of teaching on prayer began in December 1999 on the topic of What is Prayer and the preaching on prayer began in January 2000 with a seven part series of sermons entitled Barriers to Answered Prayer The Holy Spirit continued to inspire sermons on prayer for ten months The teachings on prayer continued for better than eleven months What God revealed to me concerning prayer revolutionized my life     *The Lure of Transcendence and the Audacity of Prayer* Samuel E. Balentine, 2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of

transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how prayer s invocation of God transgresses the limits of human beings The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer

**Meet the Rabbis** Brad H. Young,2007-06-01 Meet the Rabbis explains to the reader how rabbinic thought was relevant to Jesus and the New Testament world and hence should be relevant to those people today who read the New Testament In this sense rabbinic thought is relevant to every aspect of modern life Rabbinic literature explores the meaning of living life to its fullest in right relationship with God and humanity However many Christians are not aware of rabbinic thought and literature Indeed most individuals in the Western world today regardless of whether they are Christians atheists agnostics secular community leaders or some other religious and political persuasions are more knowledgeable of Jesus ethical teachings in the Sermon the Mount than the Ethics of the Fathers in a Jewish prayer book The author seeks to introduce the reader to the world of Torah learning It is within this world that the authentic cultural background of Jesus teachings in ancient Judaism is revealed Young uses parts of the New Testament especially the Sermon on the Mount as a springboard for probing rabbinic method The book is an introduction to rabbinic thought and literature and has three main sections in its layout Introduction to Rabbinic Thought Introduction to Rabbinic Literature and Meet the Rabbis a biographical description of influential Rabbis from Talmudic sources
