Christmas Holidays Nicolae Sfetcu, 2016-12-29 Second to Easter Christmas is the most important feast of the Christian liturgical calendar That is why Christmas is a public holiday in most countries of Christian tradition This holiday allows family reunion around a festive meal shared worship masses and religious services and the exchange of gifts Christmas is celebrated during the night of December 24 to 25 and December 25 all day As a Christian festival it commemorates every year the birth of Jesus of Nazareth Originally it was at that date that pagan festivities marked the winter solstice symbol of the rebirth of the sun The Christian festival was positioned on the same date in order to replace these parties and symbolically to associate the birth of Christ to the notion of increasing light The period around Christmas is called holiday season and it includes the celebration of the New Year Since the mid twentieth century this holiday is losing its religious aspect while keeping alive the tradition of the festival In this spirit Christmas has a folk connotation preserving the grouping

of family units around a meal and exchange gifts around the traditional tree Alpha And Omega Isaac Jalal,2022-02-22 The book Alpha and Omega covers pre existent names of the Messiah prophecies and predictions about the coming of the Messiah foretold in the Old Testament This book guides readers through some of the usual arguments about the existence of God and the self existence of Christ before His incarnation as Jesus Following the very first verse in the Bible Genesis 1 1 provides the roadmap for the rest of Jesus s biblical story as represented in the New Testament from His birth through His crucifixion resurrection and second coming This study restates the subjects and events based exclusively on biblical accounts and known historical facts in exceptional detail Jesus Always Existed The Old Testament prophets recognized Jesus as God Almighty or Jehovah God the First and the Last Exod 6 3 Isa 44 6 48 12 In the Old Testament Jesus is not referred to by His earthly name Jesus His true identity is revealed in the New Testament after His holy birth to Virgin Mary when God s angel told Mary to name Him Jesus Luke 1 30 31 He was chosen before the creation of the world but was revealed in these last times for your sake 1 Pet 1 20 Jesus s true identity was reaffirmed in the book of Revelation I am the Alpha and the Omega says the Lord God who is and who was and who is to come the Almighty Rev 1 8 Who Was Jesus and What Was His Message Different individuals have different views of Jesus To some He is either a prophet or enlightened man To others He was a revolutionary or political defiance To the believers however Jesus is the Son of God the Alpha and the Omega which He is

Mary and Mariology , **Encyclopedia of New Year's Holidays Worldwide** William D. Crump,2016-03-30 Among the world s myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods music dancing noisemaking fireworks and drinking This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year beyond its traditional Western associations with Christmas National or regional entries detail the principal traditions and customs of 130 countries while 27 entries discuss major calendar systems in current use or of significant historical interest The remaining entries cover a wide variety of subjects including literary works movies and television specials the customs of specific ethnic groups universal customs such as toasting and drinking football bowl games and parades and the New Year celebrations at the White House and the Vatican Jewish Daily Bulletin Index ,1926 **The Jewish Daily Bulletin Index** ,1926 *New Saints* Rev. Dr. Abel Manoukian,2015-04-02 The present volume introduces the development of Canonization in the Armenian Church Tradition and professes strongly to canonize the Armenian Martyrs on the eve of the 100th Anniversary of 1915 Genocide Commemoration How will this joint canonization be conveyed with regards to the massive number of genocide victims Will it be done through individualization or by the following decree All those who died for their Christian faith It is important for the Armenian Church to take the latter approach for it is only God who knows as He is the one who sanctifies either a person or a collective for their sacrifice and testimony of faith Of course it would have

been better if our Church had many years ago taken the necessary steps of enlightening our people as to why we needed to sanctify our martyrs why their canonization is valuable to us now and to future generations as well Let this booklet be a small offering in fulfilling what this prospect essentially lacks **Chase's Calendar of Events 2022** Editors of

Why Not? Jack Scissons, 2023-03-30 This is a fictionalized account of journal entries of a newly ordained Catholic priest in a small rural community in western Canada He became a priest in mid life after being married to his childhood sweetheart studying social work at university working in the development of affordable housing and losing his wife to ALS These journals describe his first few months trying to reconcile the current teachings of the church about married male and female priests abortion divorce assisted dying and LGBTQIA rights with the core teachings of the Gospels such as love tolerance and forgiveness as he provides spiritual care to his parishioners in his first pastoral assignment **First Order of Business** Judith Marsh Carlson, 2018-09-17 Spiritual resource for Bible study and reflection discussion prior to church meetings After years as a member of parish staffs and as a congregational and diocesan consultant Judith Carlson became increasingly aware how seldom Bible study or some spiritual component is incorporated into church meetings Even when they want to busy lay people worry it will take too much time or aren't sure what scripture to use or fear they don't know enough about the Bible Clergy too despite good intentions often have trouble finding time to prepare something This simple model provides a way to add the missing and needed spiritual dimension First Order of Business contains 36 brief sessions 12 minutes a piece Each has a scripture passage and three open ended reflection questions open ended to fit a variety of situations though not automatically suggesting right answers and allowing some genuine reflection in a non threatening way Carlson's hope is that allowing space for the Spirit's presence can

transform ordinary business as usual into a broader more spiritual context for a group's work of mission or ministry The Hymnographic Book of Tropologion Svetlana Kujumdzieva, 2017-11-08 The Tropologion is considered the earliest known extant chant book from the early Christian world which was in use until the twelfth century The study of this book is still in its infancy It has generally been believed that the book has survived in Georgian translation under the name ladgari but similar books have been discovered in Greek Syriac and Armenian All the copies clearly show that the spread and the use of the book were much greater than we had previously assumed and the Georgian ladgari is only one of its many versions The study of these issues unquestionably confirms the earliest stage of the compilation of the book in Jerusalem or its environs and shows its uninterrupted development from Jerusalem to the Stoudios monastery the most important monastery of Constantinople Over time many new pieces and new authors were added to the Tropologion It is almost certain that it was the Stoudios school of poet composers that divided the content of the Tropologion and compiled separate collections of books each one containing a major liturgical cycle In the beginning all of the volumes kept the old title but in the tenth century the copies of the book were renamed probably according to the liturgical repertory included and by the thirteenth century the title Tropologion is no longer found in the Greek sources as it became superfluous and fell out of use Galatians (Catholic Commentary on Sacred Scripture) Cardinal Albert Vanhoye, Peter S. Williamson, 2019-04-30 In this addition to the successful Catholic Commentary on Sacred Scripture CCSS series two esteemed scholars interpret Galatians from within the living tradition of the Church The CCSS relates Scripture to Christian life today is faithfully Catholic and is supplemented by features designed to help pastoral ministers lay readers and students understand the Bible more deeply and use it more effectively Its attractive packaging and accessible writing style make it a series to own and to read **Catholicism All-in-One For Dummies** Rev.
