Cook,2006-11-29 This book is based on certain dreams in my life that is to say I would have a dream about something that left a mark on me and gave me such emotion to actually create a literal piece How many times have we had dreams such as a friend dying or a lover leaving even though it may or may not have happened Then a week or so later fate steps in and takes this person out of our lives Wow is that karma or what Or when we love someone so much that it hurts us so deep when we are ignored or all of a sudden cheated on or had our heart broke all because this person decided that it was best for them to move on and not tell us Talk about extreme and emotional pain right So how do we handle that I guess we could just say forget it and move on but everyone is not as strong as that These types of people fret over that or cry and then what do they get in return but someone who was a friend laughing at them or someone spreading rumors about them Paranoid am I That is the typical attitude today that we have to live in a dog eat dog world get them before they get us and kick a man when he s down mentality So now is where we get into the wishes aspect All of us whether we are well off or not have one time or another wished that we were someone else or that we were in another situation Sometimes we may even wish that special lover back into our lives even though they are married at the present or don t love us anymore It doesn t matter who you are whether rich poor big or small have all wished to be someone or somewhere else especially when the going gets tough I have learned that God or whatever deity you believe in knows what s best for us and will give us our needs so in essence we do receive our wishes in due time according to his will I am hoping that anyone who reads this book will find something in it to help him or her cope with whatever is on their minds For instance if you want a lover back in your life and it will never

happen perhaps you may find something here to put your situation into perspective and realize that life will get better certainly it could be a lot worse Also I want to reiterate to never give up on your dreams even though far fetched or abnormal people make them seem you can make anything happen for yourself if you believe in yourself **A Swingin' Christmas**
