Looking for Love with All the Wrong Husbands Tee Fuller, 2015-07-22 Overnight he was gone A thousand thoughts ran through her mind Her life would never be the same At seventeen she sat before the Lord crying out in the dark pleading with God for an answer Had he really been the one set aside as her future husband or was her future still out there waiting for her Whatever the answer she knew she must accept it She desperately held onto the prayer that God had a plan for her life *Looking for Love with All the Wrong Husbands I Manual* is author Tee Fullers story of four marriages four divorces and hope She walked through life divided lacking confidence and reeling from bad choices and ugly consequences Fuller had beautiful children and an extended family But deep inside where no one could see she lived with regret unfulfilled desires and deep emotional wounds Then one day she met someone that caused her heart to hope again *Looking for Love with All the Wrong Husbands I Manual* is Fullers story but it is also one shared by many women today Walk with her through the journey as her heart and future unfolds and as renewed hope and healing become reality Draw inspiration from Fullers experiences as she realizes the depth of the battle shes been fighting and who the enemy really is

Finding Love Everywhere Robert Holden, 2020-09-01 May Robert s wonderful life and work and heart keep helping others to know that inherent in life is Love from the foreword by Daniel Ladinsky I didn t have much time for poetry when I was young Robert Holden writes in the introduction to this elegant and inspiring book Maybe I was in too much of a hurry Fortunately for me one poem after another found their way through my defenses and came to my rescue Slowly but surely I began to see that inside each poem there was a gift waiting for me A gift to help open up something inside of me a new awareness an epiphany a cure for loneliness renewed courage and a call to action *Finding Love Everywhere* offers that same gift to you A luminous collection of original poetry set within a framework of deep wisdom from an acclaimed teacher it invites you on a journey that will move you and transform you as you awaken to the awareness of love s presence all around you The 66 poems in these pages are meditations with lyrics Robert explains

They invite you to be wise to choose love and to live your most authentic life Searching for a Deeper Love Regina Lewis-Martin, 2024-06-10 I pray this book has been inspiring to whoever read it I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord for whom I have suffered the loss of all things and do count them but doing that I may win Christ be founded in Him not having my own righteousness which is of the law but that which is through the faith of Christ the righteousness that is of God by faith That I may know Jesus and the power of His resurrection and the fellowship of His suffering being made conformable unto His death Let us therefore as many as be perfect in the completion of God s Word because Christ is perfect Be thus minded and if in anything you be otherwise minded God shall reveal even this unto you Keep pressing toward the mark for the prize of the high calling of God in Christ Jesus We must endure to the end Just know we as a people have values and place a high value on the price that was paid for us We are worth more than what the earth pays us You ve got to be willing to sow into your own future You must value your destiny and don t measure your values by others Don t judge your future by your past It s not how you started this race but it is about how you finish the race Maya Angelou said As you learn of God teach it and as you get from God give it I say let s pass the love of God to all Yes I found a deeper love and this love I now live for This book is for you for you to find a deeper love in Jesus for there is no greater love

Finding Love Andrew Leslie Callander, 2021-02-17 What if the majority Christian view concerning the gospel is not only wrong but responsible for the rejection of Christian faith by so many today If your idea of the gospel is that God s fundamental disposition toward you is angry judgment but Jesus came to die on the cross to change God s mind about you then Andrew Callander wants you to know the truth God s fundamental disposition toward you and all humanity is eternal lovingkindness and the reason Jesus came was to change our minds about God In company with biblical scholars like David Bentley Hart contemplative activists like Richard Rohr and progressive thinkers like Brian McLaren Callander laments how centuries of Christian energy have been wasted determining and policing religious boundary lines He wants the reader to be assured that in Jesus Christ God has destroyed all barriers that stand in the way of our relationship with God Callander s key theme is that humanity is already enfolded within God s eternal love and that our great task is not to find God s love but awaken to the reality that the God of love has already found us and then apply this to our relationships with others and with creation

The laws of Human nature Unity of Universal love ,2023-12-22 Introduction A life of Healing a life of Health A life worth living is a life of Wealth I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain I'm sure that most doctors and therapists have the same experience people want to receive a treatment that will cure their illness As I treat my patients I'm also analyzing how their problem was created I'm looking at various factors like diet lack of exercise injurious repetitive movements or anything else that could provoke the problem I'm trying to get the patient to take responsibility for their problem and help me with their treatment It appears that I'm treating their physical illness but over the years I have come to a new realization that a person's emotional mental and spiritual side can also affect their health The reality of the situation is that we can't separate an illness into a physical emotional mental or spiritual ailment because everything works together I now understand that attitudes play an essential role in our health and wellbeing Attitudes have characteristics that are physical emotional mental and spiritual In psychology attitudes are labeled as behavioral physical affective emotional and cognitive mental In this book attitudes have a spiritual side as well attitudes will have a positive spiritual value or a negative spiritual value Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value If we have attitudes with a negative spiritual energy then they will cause illness physical illness mental illness and emotional illness We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually Spiritual growth is there for all of us but we have to make the effort no one can make us grow spiritually Looking for someone to cure our ills is a short term proposition the long term cure is when we discover what is causing us harm and create a healthy lifestyle The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness the 7 chakras and the human aura We use theories to make sense about what we are observing in life to explain ideas and interpret facts The 1st chapter is the Theory of the Oneness of Universal Love which will present 7 hypotheses These hypotheses will present facts and suppositions of facts which will be followed up by a theory This is all happening on four energy levels physical emotional mental and spiritual Life on Earth has to have a reason our

lives aren't an accident and this book presents a logical theory on the how and why of life This is a book on love and how love works in our lives With Love and Devotion to All *FINDING LOVE IN AN ARRANGED MARRIAGE* Shruti
