No Nonsense Guide To International Development:

No-Nonsense Guide to International Development Maggie Black,2007 **The No-nonsense Guide to International Development** Maggie Black,2002 All too often what passes for development improves life for the better off while actively hurting the very people the venture was meant to support back cover The No-nonsense Guide to International Development Maggie Black,2007 Building dams in India planting trees in Burkina Faso rescuing street children in Brazil these are images of aid and international development with which we can all identify However what passes for development all too often improves life for the better off while actively hurting the very people the venture was meant to support Maggie Black exposes the hypocrisy and reveals a more accurate picture of what is happening in development's name arguing for a process to be put in place that truly defends the interests of poor people The No-nonsense Guide to International Development Maggie Black,2010 **No-Nonsense Guide to International Development, 2nd Edition**,2007 Overseas aid and international development are catch all terms that cover a multitude of activities and abuses Building dams in India planting trees in Burkina Faso and rescuing street children in Brazil are images of development with which we can all identify But what few people realize is that the terms aid and development often mask confusion contradiction and even downright deceit The updated version of 2002's best selling No Nonsense Guide to International Development explains what development actually is and explores its political and economic roots in history It shows what can happen in the name of development and argues for a more organic social approach with those it seeks to serve as equal partners in the process

The No-nonsense Guide to Global Terrorism Jonathan Barker,2008 A highly accessible history of terrorism looking at core examples from the Middle East instances of state terrorism and terrorist fringes of political movements Covers the theories justifying and guiding terrorist acts and the battle of images that accompanies them including the proliferation of terrorist activities over recent years and international hotspots the war on terror terrorist acts carried out by states and the constraints on democracy and political and civil liberties that so often characterise the response to terrorism **The No-Nonsense Guide to International Migration** Peter Stalker,2008-04-01 Virtually any commodity can move around the world to satisfy demand but human beings have far less freedom Many would be migrants are forced to risk life and limb traveling illegally Yet most rich countries are short of workers have shrinking populations and need more immigrants This is a timely guide to a major issue that is never far from the political headlines Peter Stalker is a former co editor of the New Internationalist who now works as a consultant to a number of UN agencies He has written two books on migration for the International Labor Organization NoNonsense International Development Maggie Black,2015 **The No-nonsense Guide to the United Nations** Maggie Black,2008 Conveys the complexity of the UN assesses its record and considers options for reform **The No-nonsense Guide to Conflict and Peace** Peter Greener,2006 This invaluable guide is excellent for students peace groups and activists With tables maps case studies and quotes it looks at how conflict escalates

and ways it can be prevented It examines the changing types of war including the War on Terror and ethnic conflict such as in Rwanda the role of diplomacy and the UN and what steps ordinary people are taking to re build communities It also offers ideas and inspiration for creating lasting peace The No-Nonsense Guide to Women's Rights Nikki van der

Gaag,2008-11-01 Has the battle for women s rights been won Not when women still make up 70 percent of the world s poor This guide examines the advances that have been made and looks beneath the surface to find out what the reality is for women all around the world It shows how in this post feminist age women s rights are still very much an issue Nikki van der Gaag is a freelance writer editor and evaluator on development issues Prior to this she was editorial director at the Panos Institute and co editor of the New Internationalist magazine The No-nonsense Guide to Indigenous Peoples Lotte

Hughes,2003 Indigenous peoples have long suffered from exoticization Outsiders elevate their beauty remoteness and difference and do not see beyond this to the real problems they face The No Nonsense Guide to Indigenous Peoples looks beyond the exotic images tracing the stories of different indigenous peoples from their first and often fatal contact with explorers and colonizers Much of this history is told here by indigenous people themselves They vividly describe why land and the natural world are so special to them how it feels to be snatched from your family as a child because the government wants to make you white why they are demanding that museums must return the bones of their ancestors how can they retain their traditional culture while moving with the times and what kinds of development are positive This short guide discusses all this and more raising countless issues for debate *The No-Nonsense Guide to Fair Trade* David

Ransom,2006-10-01 Meeting the people who grow our bananas and cocoa and make our clothes this No Nonsense Guide to Fair Trade tells the human story behind what we consume Examin ing the global contest between free and fair trade David Ransom argues that the key question is not whether trade should be regulated or deregulated but whether it is to be the master or servant of the people And as fair trade products are being turned into brands by large corporations a new contest opens it is no longer just a question of fair versus free but what kind of fair trade **Transformative Sustainability**

Education Elizabeth A. Lange,2023-03-28 This book lays out the principles and practices of transformative sustainability education using a relational way of thinking and being Elizabeth A Lange advocates for a new approach to environmental and sustainability education that of rethinking the Western way of knowing and being and engendering a frank discussion about the societal elements that are generating climate environmental economic and social issues Highlighting the importance of Indigenous and life giving cultures the book covers educational theory transformation stories of adult learners social and economic critique and visions of changemakers Each chapter also has a strong pedagogical element with entry points for learners and embodied practices and examples of taking action at micro meso macro levels woven throughout Overall this book enacts a relational approach to transformative sustainability education that draws from post humanist theory process thought relational ontology decolonization theory Indigenous philosophy and a spirituality that builds a sense of sacred

towards the living world Written in an imaginative storytelling manner this book will be a great resource for formal and nonformal environmental and sustainability educators

The No-nonsense Guide to World Food Wayne Roberts,2008 A world tour of fast food health food junk food school food slow food and even more food It shows how real food has become increasingly hard to find dominated in the West by agri business and supermarkets With a history of world food production and consumption this Guide explains current debate and controversies and introduces the principle of food security fast becoming a global movement to make food provision fair safe and nutritious for all the world s population at all times

The No-Nonsense Guide to World Health Shereen Usdin,2007 A history of modern healthcare shows that public health is largely determined by socio economic factors

The No-nonsense Guide to World Poverty Jeremy Seabrook,2007 The world is wealthier than ever yet the gap between rich and poor is getting bigger Jeremy Seabrook summarises his celebrated work on the meaning of poverty drawing on the experience of poor people in both rich and poor societies He concludes that the opposite of poverty is not wealth but sufficiency the relatively poor majority of the world s people do not aim to be rich but to be safe Economic growth will never overcome the problems that it is largely responsible for creating This is a call for radical thinking about the way we live

The No-Nonsense Guide to Sexual Diversity Vanessa Baird,2007-10-01 The treatment of sexual minorities whether lesbian gay bisexual or transgender varies significantly in different parts of the world In some countries equal rights have been achieved and progress is being made against discrimination in others being gay still incurs the death penalty This guide examines all the colors of the sexual rainbow unearths hidden histories and looks at contributions from medicine and science It also includes a unique global survey of laws that affect sexual minorities Vanessa Baird has been co editor at New Internationalist magazine since 1986 Her previous books include as compiler and editor *Eye to Eye Women*

World Development Barry Baker,2011 World development is an increasingly important aspect of A level studies in Geography and growing numbers study it as an A level There is however no standalone core textbook offering an introduction to all the key issues in World Development this is invaluable to teachers It also includes case studies which will be supplemented with updated case studies on a dedicated website With over 30 years as the leading resource for teachers of geography and world development New Internationalist have created an invaluable textbook

Canada and the Challenges of International Development and Globalization Mahmoud Masa'eli,Lauchlan T. Munro,2018-08-28 What are Canada s various links with international development and globalization They extend beyond foreign aid to diplomacy trade finance aid immigration military intervention both peacekeeping and combat roles membership in a variety of international organizations relations with indigenous peoples and people to people links This multi disciplinary and multi author textbook designed for first or second year students introduces the main concepts theories and perspectives that have shaped Canada s interactions with developing countries in a globalizing world It starts by considering Canada as a case study in international development and globalization It examines Canada s diplomatic economic military social immigration and aid policies how they have

changed over time and how they have interacted with each other and with Canada's treatment of Indigenous peoples. The book presents economic, political and cultural dimensions of the process of globalization and the ways they affect Canada; examines the public institutions, private sector and civil society organizations in Canada and explores the moral imperatives behind Canadian international policy. Finally, it examines current issues including Canada's promotion of human rights, democracy, good governance, support to the private sector and relations with fragile and conflict-affected states and the emerging economies. Comment se déroulent les interventions du Canada en matière de développement international et de mondialisation? Bien au-delà de l'aide étrangère, celles-ci touchent la diplomatie, le commerce, les finances, l'aide à l'immigration, les interventions militaires, l'adhésion des organisations internationales et des liens entre personnes. Conçu pour les étudiants de première et de deuxième année du premier cycle, ce manuel multidisciplinaire est une initiation aux principaux concepts, idées, théories et approches qui forment le contexte historique et les fondations mêmes des interactions du Canada avec les pays en développement, l'ère de la mondialisation. Il aborde la question de la diplomatie canadienne et de son évolution, examine les politiques canadiennes en matière d'immigration, d'aide de politique économique, militaires et sociales. Il présente les dimensions économiques, politiques et culturelles du processus de mondialisation et les façons dont elles touchent le Canada, les institutions et politiques en lien avec le développement, les organismes du secteur privé et la société civile au Canada et les impératifs moraux qui sous-tendent la politique internationale canadienne. Enfin, il examine les droits humains, la démocratie, la bonne gouvernance, le soutien au secteur privé, les relations avec des États fragilisés et les liens avec les économies émergentes. Finaliste PROSE Award Textbook Social Sciences Janvier 2019. Ce livre est publié en anglais.
