You Are a Nobody If You Are Not Wise Squadron Leader (DR) Pravin Bhatia, 2017-05-19 There is so much poverty in the world because we were obsessed with knowledge Every Holy Scripture from Bible to the Bhagavad Gita warns us against crowding the mind with knowledge They all tell us that we must shift from knowledge to wisdom Knowledge is just a range of information It can be good or bad useful or useless The ability to choose knowledge as per objectives is the first step towards achieving wisdom The creative use of correct choice of knowledge is its second step The final step of wisdom is to persist till the objective is achieved The best place to achieve wisdom is in the class room This is possible if teachers do not insist on teaching through lectures and testing children through examinations by forcing them to learn by rote like parrots The teacher must ensure that the student learns by reading speaking thinking writing and listening in groups The teacher must become a facilitator in the process of learning This will create vibrant and wise children who will make our mother earth a great place to live in This book tells you how this can be achieved by the students It also tells you how you can replicate the steps provided by the book for learning by students in acquiring wisdom in your own lives

quite ready to grant that there really are such things as fairies because though I never saw a fairy any more than I have seen the little animals which lecturers call molecules and ions still I have seen people who have seen fairies truthful people This book about Princes and Princesses is not one which a child is obliged to read Indeed the stories are not put in order beginning with the princes who lived longest ago and coming down gradually to people who lived nearest our own time The book opens with the great Napoleon Bonaparte who died when some very old people still living were alive Napoleon was not born a prince far from it his father was only a poor gentleman on a wild rough little island But he made himself not merely a king but the greatest of all emperors and generals in war He is not held up as a person whom every boy should try to imitate but it is a truth that Napoleon always remained a boy in his heart He liked to make up stories of himself doing wonderful things which even he was unable to do When he was a boy he played at being a general making snow fortresses and besieging them just as many boys do And when he was a man he dreamed of conquering all the East Asia and India and Australia and he tried to do all that but it was too much even for him **Ain't Nobody's Business If I Do** Valerie W.
