The Truth Terry Pratchett, 2008 The truth will out or at least it s going to try to any minute New printing technology means that words just won t obediently stay nailed down like usual They can now be taken apart and used to make other words Which is downright dangerous There s a very real threat of news getting out there Of people finding out what s really going on And the powers that be aren t happy they want that to be far from the truth If they are to call a halt to this madness of free speech they may have to succumb to their despotic tendencies But will they in this brave new world still be able to have the last word *The Light Fantastic* Terry Pratchett, 1988 Fantasy roman *The Last Hero* Terry Pratchett, 2001 He s been a legend in his own lifetime He can remember when a hero didn t have to worry about fences and lawyers and civilisation and when people didn t tell you off for killing dragons But he can t always remember these days where he put his teeth So now with his ancient sword and his new walking stick and his old friends and they re very old friends Cohen the Barbarian is going on one final quest He s going to climb the highest mountain in the Discworld and meet his gods The last hero in the world is going to return what the first hero stole With a vengeance That ll mean the end of the world if no one stops him in time **The Truth** Terry Pratchett, 2009-10-13 Pratchett s *The Truth* will set you free and laughing If Dr Who had been conceived written and performed by Monty Python s Flying Circus the result might be something like Discworld *The Truth* sets its sights on an enduring institution the news media and skewers it CNN Ankh Morpork gets its first newspaper unleashing a war of words and a battle for the truth in this in this funny wise and prescient novel in Sir Terry Pratchett s internationally bestselling Discworld series The Discworld has seen just about everything Then comes the Ankh Morpork Times its first paper of record edited by struggling scribe William de Worde and staffed by a band of axe wielding dwarfs and a recovering vampire with a life threatening passion for flash photography Reporting the news is a risky business An ethical journalist de Worde has a nasty habit of investigating stories that quickly create powerful enemies eager to stop his presses And what better way than to start the Inquirer a titillating tabloid that conveniently interchanges what s real for what sells When de Worde gets a tip on a hot story concerning Ankh Morpork s leading patrician Lord Vetinari all hell breaks loose leaving the city without a leader The facts say Lord Vetinari is guilty But as William de Worde learns facts don t always tell the whole story There s that pesky little thing called the truth The Discworld novels can be read in any order but *The Truth* is a standalone *TERRY PRATCHETT DISCWORLD NOVEL COLLECTION*. TERRY. PRATCHETT, 2012

Interesting Times Terry Pratchett, 1994-01-01 The oldest and most inscrutable empire on the Discworld is in turmoil can Rincewind the wizard who can t spell izard Cohen the barbarian hero in his surgical sandals and a butterfly save everyone from a terrible doom **Eric** Terry Pratchett, 2024 Discworld s only demonology hacker Eric is about to make life very difficult for the rest of Ankh Morpork s denizens This would be Faust is very bad at his work that is All he wants is to fulfill three little wishes to live forever to be master of the universe and to have the woman of his dreams fall for him But Eric s

desires are much greater than his talents Instead of a powerful demon he summons the infamous Rincewind a wizard whose incompetence is rivaled only by Eric's As if that wasn't bad enough that lovable sharp toothed travel accessory the Luggage has arrived too With friends like these there's only one thing Eric wishes for now that he'd never been born The Discworld novels can be read in any order but Eric is part of the Wizards series and the 9th Discworld book Terry Pratchett's Discworld Terry Pratchett,1995-09 **The Last Continent** Terry Pratchett,2009-10-13 If you are unfamiliar with Pratchett's unique blend of philosophical badinage interspersed with slapstick you are on the threshold of a mind expanding opportunity Financial Times Chaos ensues when Discworld's deliciously hapless wizard Rincewind goes walking about in the Down Under in this wonderfully witty satire from legendary internationally bestselling author Sir Terry Pratchett There's big trouble at the Unseen University Ankh Morpork's prestigious and only institute of higher learning A professor is missing and the one person who can find him is not only the most bumbling magician the school ever produced he's currently stranded in Fourecks Discworld's last and unfinished continent The down under is hot so hot and it's dry so dry though it's rumored there was once this thing called The Wet but no one believes that Practically everything here that's not poisonous is venomous Discworld's most inept wizard and his companion Luggage are eager to get home but first Rincewind has to survive a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans determined to hang him All his problems would be solved if he could just make it rain for maybe the first time ever And if the time traveling professors from UU working on rescuing him can get to the right millennium The Discworld books can be read in any order but The Last Continent is the sixth book in the Wizards collection and the 22nd Discworld book The other books in the Wizards collection include The Color of Magic The Light Fantastic Sourcery Eric Interesting Times Unseen Academicals *Hogfather* Terry Pratchett,1999-09-08 Who would want to harm Discworld's most beloved icon Very few things are held sacred in this twisted corrupt heartless and oddly familiar universe but the Hogfather is one of them Yet here it is Hogswatchnight that most joyous and acquisitive of times and the jolly old red suited gift giver has vanished without a trace And there's something shady going on involving an uncommonly psychotic member of the Assassins Guild and certain representatives of Ankh Morpork's rather extensive criminal element Suddenly Discworld's entire myth system is unraveling at an alarming rate Drastic measures must be taken which is why Death himself is taking up the reins of the fat man's vacated sleigh which in turn has Death's level headed granddaughter Susan racing to unravel the nasty humbuggian mess before the holiday season goes straight to hell and takes everyone along with it Thud! Terry Pratchett,2005-09-13 It's a game of Trolls and Dwarfs where the player must take both sides to win It's the noise a troll club makes when crushing in a dwarf skull or when a dwarfish axe cleaves a trollish cranium It's the unsettling sound of history about to repeat itself THUD It's the most extraordinary outrageous provocative insightful and keenly cutting flight of fancy yet from Discworld's incomparable supreme creator Terry Pratchett Commander Sam Vimes of the Ankh Morpork City Watch admits he may not be the sharpest knife in the cutlery drawer he might not even

be a spoon But he s dogged and honest and he ll be damned if he lets anyone disturb his city s always tentative peace and that includes a rabble rousing dwarf from the sticks or deep beneath them who s been stirring up big trouble on the eve of the anniversary of one of Discworld s most infamous historical events Centuries earlier in a gods forsaken hellhole called Koom Valley a horde of trolls met a division of dwarfs in bloody combat Though nobody s quite sure why they fought or who actually won hundreds of years on each species still bears the cultural scars and one views the other with simmering animosity and distrust Lately an influential dwarf Grag Hamcrusher has been fomenting unrest among Ankh Morpork s more diminutive citizens with incendiary speeches And it doesn t help matters when the pint size provocateur is discovered beaten to death with a troll club lying conveniently nearby Vimes knows the well being of his smoldering city depends on his ability to solve the Hamcrusher homicide without delay Vimes s secondmost pressing responsibility in fact next to being home every evening at six sharp to read Where s My Cow to Young Sam Whatever it takes to unstick this very sticky situation Vimes will do it even tolerate having a vampire in the Watch But there s more than one corpse waiting for him in the eerie summoning darkness of the vast labyrinthine mine network the dwarfs have been excavating in secret beneath Ankh Morpork s streets A deadly puzzle is pulling Sam Vimes deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself

A Stroke of the Pen Terry Pratchett, 2023 These rediscovered tales were written by Terry Pratchett under a pseudonym for British newspapers during the 1970s and 1980s The stories have never been attributed to him until now and might never have been found were it not for the efforts of a few dedicated fans As Neil Gaiman writes in his introduction through all of these stories we watch Terry Pratchett becoming Terry Pratchett Though none of the short works are set in the Discworld all are infused with Pratchett's trademark wit satirical wisdom and brilliant imagination hinting at the magical universe he would go on to create Meet Og the inventor the first caveman to cultivate fire as he discovers the highs and lows of progress haunt the Ministry of Nuisances with the defiant evicted ghosts of Pilgarlic Towers visit Blackbury a small market town with weird weather and an otherworldly visitor and embark on a dangerous quest through time and space with hero Kron which begins in the ancient city of Morpork

Thief of Time Terry Pratchett, 2008-10-09 Time isn't a toy to be played with It's bigger than all of us It exists outside the artificial and arbitrary divisions into which humankind has presumptuously shoehorned it It needs to be elastic To understand truly you have to see time as the most important resource we have You mess with it at your peril You can let it move fast or slowly but what you mustn't do is allow it to stop Because when time stands still everything stops with it Then there really is no future And where would we be without one of those

The Pratchett Portfolio Terry Pratchett, 1996 Terry Pratchett's incredible Discworld floating through space on the backs of four elephants standing on a giant turtle supports some of the most popular characters ever imagined in the world of fantasy fiction But the Discworld people are real and here they arewarts except of course in the case of Granny Weatherwax and all from Rincewind the incompetent wizard to Greebo the rather too human cat once there were five but that's another story
