

PRAXIS 5038 Study Guide

Italo Calvino – important Italian writer who wrote “The Nonexistent Knight” and “Cosmicomics”. He was at first entranced with the Communist movement but later became disillusioned. He also promoted many other writers and was often mentioned as a candidate for the Nobel Prize for literature. Postmodern Period author

Portfolios – teachers can monitor progress over time. Students get a sense of ownership when they pick pieces to include. Authentic evidence of progress can be shared with parents. Also support accountability and can help maintain the focus of assessment

Pride and Prejudice is an example of a novel. A novel is a realistic story that could really happen or could have happened

William Butler Yeats and TS Eliot are associated with the literary movement known as Symbolism. Wordsworth, Lord Byron, Percy Bysshe Shelly and Victor Hugo are writers of romantic literature which flourished during the 18th and 19th centuries. Their books emphasize the beauty and wildness of nature, the freedom and nobility of individuals, freedom of emotion, and the glories of a pastoral life.

Realism, a reaction to romanticism, was popular during the 19th century, and focused on the realities of life. Writers include Gustave Flaubert, George Eliot, Fyodor Dostoevsky, and Leo Tolstoy.

The modernist Movement arrived in the early decades of the 20th century. Modernists used experimental forms and asked readers to realize that knowledge is not absolute. A loss of a sense of tradition and the dominance of technology characterize this movement’s writings. Writers were influenced by Einstein, Max Planck (quantum theory), and Freud.

Surrealism also flourished in the 20th century, and features an element of surprise, unexpected juxtapositions and non sequitur. Movement began in Paris in the 1920s with Andre Breton. Surrealists attacked false rationality and restrictive customs and structures. Many espoused communism and anarchism.

Symbolism flourished in the last two decades of the 19th century. This movement began in France as a reaction to realism. Symbolism uses poetic expression to show personal emotion by use of symbols which are identified with a particular poet. Authors who used symbolism are Charles Baudelaire, Arthur Rimbaud, William Butler Yeats, James Joyce, and T.S. Eliot.

The revision operation of Adding Information is the easiest for introducing students to revision. For beginning writers, adding is easier than deleting. Words, phrases, or sentences can be added to make writing more complete. Deleting unnecessary words, phrases, or sentences is the next step. Rearranging words, phrases, sentences, or paragraphs can be a challenge for beginning writers, and is the most difficult revision operation to master. Substituting is simultaneously adding and deleting.

Virgil was a Roman Writer.
