

Dear Lord, our pastors  
can often feel  
stretched thin with  
responsibilities. I pray  
that they learn to set  
wise boundaries to  
protect their time, their  
hearts, and their  
relationships. Grant  
them the courage to  
say 'no' when they need  
to, without feeling guilt.  
Amen.

**Prayer Points for Pastors** Audrey L. Dowling, 2016-05-24 In November 2013 Pastor Teddy Parker was found dead by his wife Larrinecia Parker in the driveway of their home with a self inflicted gunshot wound hours after he had sent her and his two daughters ahead of him to church then failed to show up It was later revealed that he had been battling manic depression until his death Since that time over 30 more pastors have committed suicide These men and women of God face many challenges that could potentially affect every aspect of their lives As the Body of Christ most of us have not been cultured to automatically pray for our pastors Pastors don't always ask for prayers and many members may not feel comfortable praying for them We need a renewed culture where prayer for the pastor is encouraged and taught Pastors need to have specific anointed and focused prayer going on for them regularly Prayer Points for Pastors A Tool for Pastors and Their Intercessors will help both pastors and their intercessors alike by offering prayer points that may be important to pray for or about for pastors

Pastors Are People Too Jimmy Dodd, Larry Magnuson, 2016-05-01 What are your top twenty expectations for your pastor Now multiply your list by the number of people who attend church with you Is it any wonder pastors are overwhelmed and underappreciated They're expected to know every member by name preach a home run sermon every Sunday condemn sin without hurting anyone's feelings and be available to serve others 24/7 while not neglecting their own family The intensity of these expectations and lack of appreciation can and does bring the majority of pastors to a place of despair and ultimately departure from pastoral ministry This practical field guide offers tangible ways

Volume 4 (2013)** ,2013-11-21 Prayer is a phenomenon which seems to be characteristic not only of participants in every religion but also men and women who do not identify with traditional religions It can be practised even by those who do not believe either in a God or transcendent force In this sense therefore we may assert that the prayer is a typically human activity that has accompanied the development of different civilizations over the course of the centuries Both the material issues of concrete daily life as well as more symbolic elements expressed through words gestures body positions and community celebration are brought together in the act of praying
