Pray Ginger Hertenstein Conley, 2025-01-28 Have you received bad news and you don't know where to turn? You pray but the problem just grows bigger. Perhaps you cannot find the words to say nor relief from the anxiety of your ordeal. What to Say When You Pray guides you in the pursuit of God's presence, peace, and power to assist with your need. Ginger Hertenstein Conley explores the stories of people in the Bible who sought God's help during all kinds of circumstances: natural disasters, political upheaval, and personal illness or loss. Drawing from both the Old and New Testaments, she writes about how people leaned into their faith and it became real. As they turned to God in prayer or asked Jesus for help, healing of all kinds occurred: mental, physical, and spiritual. People found that prayer and personal connection with God, even in the most difficult times, resulted in blessings of peace, hope, and answers. What to Say When You Pray tells the real-life journey of a woman with stage four cancer. Her family and friends decided to pray for her at the same time every week. May this book encourage you to seek God's help with your own difficult, perhaps even impossible, situation. May you discover the assurance that God loves to hear and answer prayers.

Find It Fast in the Bible Thomas Nelson, 2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture's teaching on key Bible topics. But computer-based searches and single word concordances quickly overwhelm learners with raw, unconnected data. This phrase concordance compiles over 5,000 Bible expressions, giving their exact Scriptural quotations, complete with surrounding sentences. Additionally, their alphabetical listing offers the chance to explore similar and related topics without starting a new search. Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme, such as Day of the Lord, Kingdom of Heaven, and I tell you the truth. This handy reference resource contains over 5,000 best-loved and most-used Bible phrases. The New King James Version as the primary translation. Cross-references to other major translations: NIV, NRSV, KJV, and NASB. An alphabetical arrangement by the first word in the phrase. More than 30,000 references. An extensive Key Word Index. These features make Find It Fast in the Bible a trusted, time-saving companion resource and stand-alone aid for personal and group discovery.
