No Ghosts In This City:

No Ghosts in This City Uddipana Goswami, 2014-05-08 Twelve short stories about everyday life and the political realities of Assam. My stories says the author are a lot about darkness but they are also about the small sparks of light that occasionally dispel the demons in our souls. In this collection a doctor's comfortable existence in a tea estate is rudely shattered by violent conflict; a daughter reflects on the futility of rebellion and children discover how shockingly little time it takes to go from joking to being thrown headlong into bloody carnage. Sharp and eloquent Uddipana Goswami's stories bring into harsh focus how interwoven political violence is with everyday life. Published by Zubaan. The Burning City Alaya Dawn Johnson, 2010-07-20 The author of *Racing the Dark* returns to the world of magic wielded by women who understand the dark trade offs of power and sacrifice. Lana the heroine has become the black angel, a harbinger of destruction unheard of in the islands for five hundred years. The sleeping volcano of the great city Essel has erupted. In the chaos the city is reshaping itself and violence threatens from all corners. A rebel movement has formed in the destroyed heart of the city determined to oust Kohaku the mad ruler of Essel. Lana wants no part of the rebels cause the death spirit still chases her and the great witch Akua has kidnapped Lana's mother. But the more Lana looks for her mother the more she is drawn into the city's political conflicts. As Kohaku descends deeper into madness determined to subdue the city by any means necessary his wife has run away to the fire temple where she too is slowly converted to the rebel's cause. When long running tensions spill over into civil war Lana must make her hardest decision yet her mother's life or a city's freedom. Praise for *Racing the Dark*. An engaging debut fantasy novel with a fresh innovative setting and an intriguing central mythos. I look forward to reading more. Jacqueline Carey New York Times bestselling author. A bold debut. Johnson's story is reminiscent of Ursula Le Guin's *Earthsea* books. This proposed series could be a stand out. Publishers Weekly. What an enthralling tale this is. It's beautifully written and I recommend it to all readers of fantasy. Cecilia Dart Thorntton author of *The Bitterbynde Trilogy*. **Little Kids, Big City** Alex McCord, Simon van Kempen, 2010 Stars of Bravo TV's *The Real Housewives of New York City* Alex McCord and Simon van Kempen have a hit show and a great book. *Little Kids Big City* a lighthearted and critically acclaimed he said she said rant about their experiences raising their two young children in the Big Apple. More of a Momoir and Dadoir covering the last 10 years of their lives. Alex Simon write with a unique and humorous insight into the challenges facing parents today. They use their own hard won experience as a springboard to discuss life before children and their determination not to have any followed by their journey and eventual change of heart and the rollercoaster ride of having two children in two years in a seemingly non child friendly environment. Rather than a preachy how to guide Simon Alex take the reader on a romp through the indignities and surprises that befell them. Their informative and often hair raising stories of life in the concrete jungle make *Little Kids Big City* a must read for anyone who has ever had children hated children or thought they might want to have them someday as well as for any fan of their hit show. **Way Walkers: Broken City** J.
