

Correction exercise

Extract is taken from the Faber 2001 version.

Task

- There are no capital letters, speech marks, full stops or commas in this passage. Can you put these in the right places?
- Can you also show how you would split this passage into four paragraphs (not counting indentations for direct speech)?
- First, put in the missing punctuation and then, with a partner, decide where the paragraphs should go.

the iron man stood up straight slowly he turned till he was
looking directly at hogarth we're sorry we trapped you and buried
you shouted the little boy we promise we'll not deceive you
again follow us and you can have all the metal you want brass
too aluminium too and lots of chrome follow us the iron man pushed aside
the boughs and came into the lane hogarth joined the farmers slowly they
drove back down the lane and slowly with all his cogs humming the iron
man stepped after them they led through the villages half the people came
out to stare half ran to shut themselves inside bedrooms and kitchens
nobody could believe their eyes when they saw the iron man marching
behind the farmers at last they came to the town and there was a great
scrap-metal yard everything was there old cars by the hundred old trucks
old railway engines old stoves old refrigerators old springs bedsteads
bicycles girders gates pans - all the scrap iron of the region was piled up
there rusting away
