Learning Partnerships Marcia B. Baxter Magolda, Patricia M. King, 2023-07-03 While a common goal of higher education is to improve student learning to prepare young adults for the professional civic and personal challenges of their lives few institutions have a model to facilitate these outcomes Learning Partnerships offers a grounded theory and practical examples of how these objectives can be achieved at the college course program and institutional levels The book takes as its foundation Marcia Baxter Magolda's Learning Partnerships Model based on her seventeen year longitudinal study of young adults learning and development from their undergraduate years through their thirties Based on nearly a thousand participant narratives the model offers an empirically grounded yet flexible approach to promote self authorship Marcia Baxter Magolda describes the nature of self authorship its centrality to the learning goals of cognitive maturity an integrated identity mature relationships and effective citizenship and the Model The book then documents examples of actual practice and the learning outcomes they have yielded The settings include community college and undergraduate courses exchange and internship programs residential life a Masters program faculty development and student affairs organization Learning Partnerships offers models for all educators faculty and student affairs staff alike who work to balance guidance and learner responsibility to prepare students for the complexity of the twenty first century

Political Science Pedagogy William W. Sokoloff, 2019-08-29 The field of political science has not given sufficient attention to pedagogy This book outlines why this is a problem and promotes a more reflective and self critical form of political science pedagogy To this end the author examines innovative work on radical pedagogy such as critical race theory and feminist theory as well as more traditional perspectives on political science pedagogy Bridging the divide between this research and scholarship on both teaching and learning opens the prospect of a critical radical and utopian form of political science pedagogy With chapters on Socrates Frantz Fanon Paulo Freire Leo Strauss Sheldon S Wolin e learning and a prison field trip this book outlines a new path for political science pedagogy

Public Policy Praxis Randy S. Clemons, Mark K. McBeth, 2016-08-05 Public administration and policy analysis education has long emphasized tidiness stages and rationality but practitioners frequently must deal with a world where objectivity is buffeted by repressed by and sometimes defeated by value conflict Too often public administration education has failed individuals who must deal with the hustle and bustle and complexity of policymaking Public Policy Praxis equips students to grapple with ambiguity and complexity By emphasizing mixed methodologies and through the use of cases students are encouraged to develop a workable and practical model of applied policy analysis Throughout the book Clemons and McBeth argue that pragmatism demands that analysts learn to think politically and to understand that public problems are socially constructed As such in addition to analytical models the authors examine specific tools of policy analysis such as stakeholder mapping content

analysis group facilitation narrative analysis cost benefit analysis futuring and survey analysis Students are given the opportunity to try out these analytical models and tools in varied case settings county city federal urban and rural facing wide ranging topics economic development expansion of human services in an urban area building a health care clinic in a small town an inner city drug program and the bison controversy in Yellowstone National Park that capture the diversity of public policy and the intergovernmental nature of politics With chapters written to the student and in a nearly conversational style Public Policy Praxis is an ideal textbook for undergraduate and graduate courses in public policy analysis community planning leadership social welfare policy educational policy family policy and special seminars Gender in the Political Science Classroom Ekaterina M. Levintova, Alison Kathryn Staudinger, 2018-07-12 Gender in the Political Science Classroom looks at the roles gender plays in teaching and learning in the traditionally male dominated field of political science The contributors to this collection bring a new perspective to investigations of gender issues in the political behavior literature and feminist pedagogy by uniting them with the Scholarship of Teaching and Learning SoTL The volume offers a balance between the theoretical and the practical and includes discussions of issues such as curriculum class participation service learning doctoral dissertations and professional placements The contributors reveal the discipline of political science as a source of continuing gender based inequities but also as a potential site for transformative pedagogy and partnerships that are mindful of gender While the contributors focus on the discipline of political science their findings about gender in higher education are relevant to SoTL practitioners other social science disciplines and the academy at large *Revaluing Ethics* Thomas W.
