

# *A Prayer for Teachers*

*Lord,*

*I pray that teachers everywhere will make a lasting impact on our students, families, and communities.*

*You have given us stewardship over your amazing world, and teachers have the wonderful opportunity to teach the next generation not only about the world we live in, but how to function in their world in ways that bless others.*

*May the lasting impact of teachers greatly improve this world, for your honor and glory.*

*In Jesus' name, Amen.*

computer and producing the story has been a grand trek I have learned that there is a principle in nature that some things need to mellow calm down and soak in The refusal of winemakers to take a wine before its time is a notion I am coming to understand It works with writers as well Like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time In my education I have read of the battles of great Church leaders who were eventually thrown out of their churches In my denominational education I was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality Church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones We were to be critical of everything except our organization I submit that there is danger in that This book will cover incidents from the first forty years of my life as a religious addict You may find something here that you can identify with Church missionary society, extracts from the annual letters of the missionaries Church missionary society,1896 **The Journal of Education for Ontario** ,1868 *The American Sunday School Magazine* ,1824 **The Christian Union** Henry Ward Beecher,1891 **School** ,1900 *Semi-annual Report on Schools for Freedmen* ,1867 Semi-annual Report on Schools for Freedom United States.
