pertinent examples of the struggles that come with learning to live together in the midst of diversity and plurality such as the post apartheid Republic of South Africa However these more often than not racial and cultural struggles could be eased by developing worship services that are more relevant and inclusive This in turn should instil a sense of belief and a way of inclusive thinking culminating in more inclusive living The approach developed in this book stems from the aphorism *lex orandi lex credendi lex con vivendi* or as we pray so we believe so we live together

Jackson,2024-02-21 Jesus did not say take and think He said take and eat This is embodied worship It includes gestures rites kneeling raising hands and of course eating and drinking a holy meal with God These activities are liturgies Liturgy is the physical embodied activity of worship it s what we do in worship everyone has a liturgy As such worship is the church s primary means of discipleship Instead of fearing to kneel because it s Roman Catholic or fearing to raise your hands because it s Pentecostal perhaps we should simply see what God recommends in the Scriptures then without fear and by faith at the appropriate time start kneeling raising our hands and eating a covenant meal with God on a weekly basis The hope is to

replace a fear driven approach to worship with a faith driven embodied worship that offers deep robust and beautiful worship experiences combined with the hope of great blessings In doing so we hope for nothing less than a new reformation a reformation in worship
