## **Prayers Kingdom Asking:**

Understanding Kingdom Prayer Alexys V. Wolf, 2015-03-05 Let me preface this book by saying that any prayer to Jesus leading to God is a good prayer just as a baby does whatever necessary crying tugging crawling to gain it's parent's attention is good and effective However just as a baby eventually grows into maturity and order the Christ follower regardless of how they begin praying needs to grow into knowledge of more mature prayer according to Jesus This book is for the Kingdom minded person desiring to pray according to the Kingdom of God instead of according to the fleshly desires We must understand that there is a distinct difference between asking in prayer and decreeing God's promises with authority and praise Decreeing is not the same as praying Praying as I see it is simply constant communion with God it's keeping an open line of communication with God at all times in all things Praying can be asking praising weeping etc This is the praying without ceasing constant communication with Jesus Declaring decreeing is strategically different Both have to do with communication but declaring is actually not talking to God but rather applying God's authority given us through His Son into any situation A kingdom ambassador does not check with the king when he goes to another country or kingdom on behalf of the king He's given the king's authority to speak and act as if he were the king himself He is as the king *Understanding Kingdom Prayer* Alexys Wolf, 2020-06-30 What exactly is Kingdom prayer First we need to establish that praying without ceasing means constant communion with God It does not mean constantly praying ad nauseam the same old thing over and over until your dead Furthermore Kingdom prayers specifically are a matter of moving the heart of God out of a spiritually mature perspective stemming from a life lived unto God alone Kingdom prayers are not about words alone but a heart set on God a heart willing to put aside anything of the fleshly man and reconcile themselves unto the ways of God's holy Kingdom Heaven is a holy Kingdom a government On the flipside hell is a kingdom an unholy government There is a war between the two opposing governments In order to defeat the unholy government we must know how to unify with the holy government We are instructed by God the reigning King to study to show ourselves approved of Him That means study the constitution of His government the Holy Bible We cannot float along only listening to other people's Kingdom insight and expect that to be sufficient We must be proactive in every area having a heart set on but not limited to 1 Pleasing the King 2 Studying the instructions King's instructions 3 Learning the past biblical experiences of God's people to know what to and not to do 4 Living a life separated unto God 5 Learn the Word and its meaning to become equipped in the evil day 6 Knowing the tactics of the enemy to be prepared in and out of season 7 Recognizing our loyalties need to be on the Kingdom of God not the things of Earth 8 Learning how to pray with efficacy not prayers only during crisis mode Over the last twenty years I have composed a catalog of prayers for people from all walks of life They are spread throughout my various teachings and writings Countless people have requested these prayers to be compiled and placed in one book This book is filled with specific prayers for issues common to mankind Some prayers many people know to pray and others may not be as familiar Prayer alone is not enough in

so much as God expects us to be proactive For example if we re praying for self discipline it won t just fall upon our heads We must purpose in our hearts and minds to be self disciplined We must make better choices Prayers must coincide with action Understanding Kingdom Prayer includes 100 template prayers to serve as a guide for practical application You will of course want to pray according to the leading of Holy Spirit but this is a template of how to properly apply the Scriptures With any of God s promises the idea is to proclaim declare and decree those promises over situations instead of asking for God to do this or that If He s already promised asking is not required Rather we are to apply and stand in faith in His provision and resolve Praising and thanking God is first and foremost in prayer We ought never to be a people always asking or using His Kingdom power and authority without first thanking Him for being who and how He is loving merciful gracious kind patient sovereign omniscient omnipresent and omnipotent Although I didn t write words of praise at the beginning of each prayer praising must come first according to Matthew 6 9 After praising the Lord the succeeding prayer should follow Never neglect

thanksgiving of God s grace and mercy This must come solely from your authentic heart of contrition      **Understanding Kingdom Prayer** Alexys V. Wolf,2020-07 Over the last twenty years I have composed a catalog of prayers for people from all walks of life They are spread throughout my various teachings and writings Countless people have requested these prayers to be compiled and placed in one book This book is filled with specific prayers for issues common to mankind Some prayers many people know to pray and others may not be as familiar Prayer alone is not enough in so much as God expects us to be proactive For example if we re praying for self discipline it won t just fall upon our heads We must purpose in our hearts and minds to be self disciplined We must make better choices Prayers must coincide with action Understanding Kingdom Prayer includes 100 template prayers to serve as a guide for practical application You will of course want to pray according to the leading of Holy Spirit but this is a template of how to properly apply the Scriptures With any of God s promises the idea is to proclaim declare and decree those promises over situations instead of asking for God to do this or that If He s already promised asking is not required Rather we are to apply and stand in faith in His provision and resolve Praising and thanking God is first and foremost in prayer We ought never to be a people always asking or using His Kingdom power and authority without first thanking Him for being who and how He is loving merciful gracious kind patient sovereign omniscient omnipresent and omnipotent Although I didn t write words of praise at the beginning of each prayer praising must come first according to Matthew 6 9 After praising the Lord the succeeding prayer should follow Never neglect thanksgiving of God s grace and mercy This must come solely from your authentic heart of contrition      *Prayers* Stephen Cloud,2014-11-25 Prayers is a collection of the authors prayers that express Jesus word from the Lord s Prayer Thy Kingdom come Thy will be done on earth as it is in heaven Some of the prayers are adapted from other sources All the prayers were used in public worship but are suitable for private devotion      Praying the Lord's Prayer for Spiritual Breakthrough Elmer L. Towns,1997-11-15 Towns reveals the power of prayer in this fascinating look at the Lord s Prayer Each chapter examines a

line from the Prayer revealing power points for every believer desiring a more dynamic prayer life Towns says What would you say if you were ushered into the throne room of God with only one minute to request everything you needed but didn't know how to put it into words The Lord's Prayer includes everything you need to ask when you talk to God it is a model prayer that teaches us how to pray

**Tools for Effective Prayer** Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God's presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics of prayers such as persistency and fervency that are essential for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person's life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one's prayers don't include the essential contents effectiveness or power will be greatly diluted

*How God Answers Prayer (How to Pray)* Elmer Towns,2011-07-28 What happens when you pray This book does not tell you how to get answers to your prayers there are thousands of books like that This is a radically different book because it approaches prayer from God's perspective Prayer is relationship with God When you understand How God Answers Prayer then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you how it's best for you and when it's best for you Divided into three inspiring sections and bite size chapters filled with full servings of biblical goodness you will learn about the following and much more God answers when you wait in His presence for the answer God can give you a vision of how the answer can come God answers when you yield to His will Use your faith supernaturally to move God's work forward God may allow an obstacle to tell you No it will not happen When God answers your prayer differently from what you expected God may say No I have a better plan for your life Well known author and respected Liberty University dean and professor Dr Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father and brings your relationship with Him to an even more intimate level of love

*What Are We Doing When We Pray?* Vincent Brümmer,2017-05-15 Vincent Brümmer's classic book on prayer from 1984 provides a comprehensive philosophical analysis of central issues regarding the nature and practice of prayer What do we do when we ask things of other people when we thank them or praise them when we express penitence for what we have done to them and ask their forgiveness And how does doing these things in relation to God differ from when we do them in relation to other people And what does this entail for the existence and nature of the God to whom

we pray This new edition has been substantially revised and updated Three new chapters have been added which develop in detail a hint by G K Chesterton that faith is not a thing like a theory but a thing like a love affair Since prayer is the expression of this love affair it is also the clue to understanding the nature of faith These chapters contribute significantly to the current academic interest in spirituality by showing how Br mmer s analysis of prayer helps us to understand the nature of spirituality of faith and religious belief and of theology Spirituality is not aimed at achieving religious experiences or mystical knowledge about God it is primarily aimed at attaining the religious form of life and at coming to see the world in the light of faith Religious belief is not merely a cognitive enterprise like science it cannot be divorced from spirituality and the life of faith and is therefore fundamentally existential and not merely intellectual Serving as a valuable core text for students this book also contributes to a number of current debates in theology and philosophy of religion the debates on realism and religious belief on the rationality of faith and the nature of theology on the relation between religious belief and morality on the relation between science and religion and the lively debate among evangelical Christians in America on the openness of God

**The Lord's Prayer** Rosemond Opare-Kumi,2019-08-20 The prayer usually referred to as The Lord s Prayer TLP or the Model Prayer is the subject of this book It is the prayer Jesus Christ taught His disciples when they asked Him to teach them how to pray This publication was prompted by the recipients of the 91 days of Holy Spirit inspired WhatsApp messages on the exposition of the Lord s Prayer written down daily by the Writer between May24 August 22 2016 The experience was unique and impactful From the Writer s perspective If Jesus taught it it must be learned by serious minded disciples who believe in prayer as the means to communicate with God on all issues It must be the blue print of prayer and the covenanted prayer If it is then Heaven is bound to hear and answer Although it seems forgotten and prayed less than it should there is no doubt that it is the ultimate Prayer because it covers every need and want Jesus taught it He is the one who had descended from heaven and knew what His Father s Will for us was so that we would not pray amiss We should be confident therefore about being heard because we would be praying back to Him the exact words He taught Why will heaven not hear TLP and answer Heaven will What we need to do is learn to pray it fervently and persistently like never before The 91 days of exposition on the Lord s Prayer that were shared as whatsapp messages have been preserved and are now made available in 3 formats paperback e book and hard copy with minor editing because of its new format [How Israelites Pray to Their ABBA](#) Unknown Hebrew,2019-07-27 How Israelites Pray to Their ABBA Do you know the correct way to pray to YAHUAH Prayer is not just words it is a sacred act of alignment with His will In this powerful book you will discover the biblical foundations of Israelite prayer and why following the instructions given in Scripture ensures that your prayers are heard The Bible is clear about the conditions of prayer Proverbs 28 9 warns He that turneth away his ear from hearing the law even his prayer shall be abomination Prayer must come from a heart that obeys YAHUAH Solomon s prayer of dedication for the temple provides a blueprint for how to approach our Father Yet have thou respect unto the prayer of thy

Purpose in Prayer Edward McKendree Bounds,1920      **The Lord's Prayer: Live it or Quit saying it** Matthew Palai,2021-10-25 The book Lord s Prayer Live It or Quit Saying It is a challenging book that attracts our interest mainly because it is full of reflections on many questions arising from the present society This book gives us much more than mere spiritual reflections as it gives us a meaningful experience of God the Father and invites us to reflect on the significance of our lives based on the lived spiritual experience of many ordinary individuals it poses simple but profound challenges before us to move close to Jesus Christ It exhorts that without a vision of heaven our life can be a big loss Congratulating Shri Matthew Palai for this precious endeavor I recommend this book to all who are seriously thinking about a meaningful spiritual life Bishop Thomas Tharayil Auxiliary Bishop of Changanacherry In a nutshell the Lord s Prayer is like an antibiotic If an antibiotic does not work for you then it will work against you If you do not try to live what you pray then it is better not to say the Lord s Prayer because instead of saving your soul it will endanger it If you do good deeds and charitable works to go to heaven you will not get admittance to heaven and this book tells you why If you rely only on prayers to go to heaven the gates of heaven will not be opened for you and this book tells you why The existence of God existence and immortality of soul life after death hell heaven etc are unverifiable yet we should live as if they are all real and this book tells you why This book tells you how to become worthy to say the Lord s Prayer so that it does not endanger the soul but delivers it salvation
