How Effective Sermons End Ben Awbrey, 2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher's greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light More than a Sermon Douglas D. Webster, 2024-05-08 Preach with compassion and conviction In More than a Sermon Douglas D Webster highlights the prophetic and pastoral challenge of

preaching today The task is both harder and easier than we imagine as we are called to proclaim the biblical text in a way that convicts a hostile world while encouraging our congregations to rest in Christ's love We need preaching that both swings the hammer that breaks hard hearts yet does not break the bruised reeds in our care Offering practical insights and examples Webster explores what it means to preach the gospel in different seasons such as Advent and Lent Memorial services and weddings Times of crisis or social impact More than a Sermon is a valuable resource for both new pastors and veteran preachers who want to proclaim the whole counsel of God with power and wisdom The Death of Jesus Joel B. Green, 2011-02-01 Proclamation of the crucified Messiah is always close at hand when one attempts even the most cursory articulation of the Christian faith Viewed simultaneously as scandal and eschatological turning point the cross of Christ is the cornerstone of Christian faith and praxis This is not to say that the crucifixion of Jesus has at all times and all places been subjected to a single interpretation by Christian believers Already in the dawning years of the Christian movement Jesus' disciples understood his death in numerous ways utilizing a variety of images This study takes as its primary points of departure the prominence of the cross event for Christians and the variety of its interpretations Here we seek a partial answer to the question how earliest Christianity understood the death of Jesus Originally this study took the form of a 1985 University of Aberdeen dissertation **Justification in Late Medieval Preaching: A Study of John Geiler of Keisersberg** E. Jane Dempsey Douglass, 2022-07-04 **Methodist Magazine and Quarterly Review**, 1916 **The Methodist Review**, 1907 **The Friars and their Influence in Medieval Spain** Francisco Garcia-Serrano, 2025-10-01 The mendicant friars especially the Dominicans and the Franciscans made an enormous impact in thirteenth century Spain influencing almost every aspect of society In a revolutionary break from the Church's past these religious orders were deeply involved in earthly matters while preaching the Gospel to the laity and producing many of the greatest scholars of the time Furthermore the friars reshaped the hierarchy of the Church often taking up significant positions in the episcopate They were prominent in the establishment of the Inquisition in Aragon and at the same time they played a major part in interfaith relations between Jews Muslims and Christians In addition they were key contributors in the transformation of urban life becoming an essential part of the fabric of late medieval cities while influencing policies of monarchs such as James I of Aragon and Ferdinand III of Castile Their missions in the towns and their educational role as well as their robust associations with the papacy and the crown often raised criticism and led to internal tensions and conflict with other clergymen and secular society They were to be both widely admired and the subjects of biting literary satire As this collection demonstrates the story of medieval Spain cannot possibly be fully told without mention of the critical role of the friars **The mystery of the Passion [sermons]**. William John Knox- Little, 1882 **Believing in Preaching: what Listeners Hear in ,** *Devotional Commentary on the Gospel Narrative: Our Lord's passion* Isaac Williams, 1875 Rekindling Our Passion for Jesus! Regina Elliott, 2012-03 What are you genuinely passionate about Have you placed causes or issues money and

possessions career advancements or promotions family and fortune fame or applause community or cultural needs sports politics or even religion before God If you have then where does God fit into your plans for life Could it be that life is preoccupied with everything but Him What really motivates you What gets you up and going in the morning besides Starbucks or Folgers Are you living the abundant life or are you just existing This book invokes a fresh look at the true meaning of what having a genuine relationship with Jesus is all about and addresses pertinent issues to real life struggles we face in finding Him and serving Him Who or What Do We Really Love Realizing Embracing Our Need for a Savior Pardoning the Unpardonable Seeking God s Agenda Not Our Own Taming the Tongue Most importantly this book is about finding out how to have and rekindling an intimacy with Christ we may have never experienced before A Sermon on the Impetuosity and Bad Effects of Passion, etc John D.
