1-1: Introduction to the Oracle Academy

Practice Activities

Objectives

- Give examples of jobs, salaries, and opportunities that are possible by participating in the Academy
- Explain how your participation in the Academy can help you take advantage of these opportunities

Try It / Solve It

1. This activity aims to develop your skills for locating, evaluating, and interpreting IT career information. Use Internet resources provided by your teacher to identify a specific job that interests you in the IT career field. Then, answer the following:

- a. What are the typical tasks involved in this job?
- b. What kind of social, problem-solving or technical skills are required?
- c. What are the physical demands of the job?
- d. What kind of training/education is required for the job?
- e. Where are current job openings?
- f. How many different kinds of businesses use these job skills?
- g. What is the salary range?
- h. What other entry-level jobs are within this career field?

2. Describe how taking one of the Academy courses and earning a certification exam could help prepare you for a job in that career field.
