McCaster, 2008-12-03 This autobiography *Struck Down but Not Destroyed* is a vintage narrative of a struggling African American man who is committed to make something out of himself without blaming America for his problems along the way This is a story of a hard working courageous man of faith who persisted at times against great odds to affirm that even life in the rural South or the Northern ghetto can have integrity This is an unpretentious attempt to celebrate small victories for those who are often in this world considered the least of these These many unheralded stalwarts of faith have made solid contributions and yet have survived numerous close calls The sixteen chapters with helpful descriptive captions unfold in the chronological sequence of Brother McCasters life events against the background doubts and scares of his extended family and others associated with him One cannot miss Reverend McCasters uncanny and profound sense of joy as it resounds throughout this exceptional testimony about the rewards for those who persist in the faith of our humble yet most inspiring

forebears **101 Projects for Your Porsche Boxster** Wayne R. Dempsey, 2011-01-08 Since its introduction in 1997 the Porsche Boxster has earned a reputation as one of the world's greatest sports cars as well as a huge loyal following of devoted drivers. This book is aimed at those owners of Boxsters who want to improve their machines while avoiding thousands of dollars in mechanic's costs. Clearly and simply written with straightforward illustrations, this manual offers 101 projects to help you modify, maintain, and enhance your Porsche. Focusing on the 986 and 987 Boxster models, *101 Projects for Your Porsche Boxster* presents all the necessary information, associated costs, and pitfalls to avoid when performing a wide array of projects. In a word, it makes owning a Porsche Boxster an unqualified thrill. *Queenie's Major Problem* Garland Ladd, 2001-04-04 When severe guilt and depression afflict a person, life hardly seems worth living. It overshadows everything else, creating behavior and an attitude that conflicts with society at every turn. Skills, efficiency, and personal relationships suffer, and paranoia becomes a constant companion. Major Ramsey, the lead character in *Queenie's Major Problem*, found himself in that dilemma at the age of thirty-two, just when his career had taken a meteoric rise. His superior at a nationally known corporation empathized with Major, recognized that there were valid reasons for his down state, and gambled that Major might find himself given release from job pressures and demands of his community. Thus, the considerate superior offered Major an unpaid leave of absence from his position, which became the vote of confidence that prevented Major from ending his misery with a bullet. Although religious and moral, Major didn't have Job's sound faith in God to sustain him during his period of mourning and self-incrimination. Self-hate and desire for punishment completely dominated Major because everything pointed to him as being responsible for the deaths of his parents' wife and two small children. Their deaths happened in two separated incidents, only six weeks apart, removing the five people most important in his life. He wanted to die and find relief from his pain but earnestly desired atonement for his sins and guilt before moving to the hereafter, whatever that might be in his case. So when the offer of a leave of absence arose, Major decided to sell everything he owned and use the meager proceeds to finance a year-long trek of the United States, shanks mare walking without purpose or destination, living at only subsistence levels and punishing his body as just rewards for his transgressions to his family and society. His year of trekking would end in finding peace and atonement, or else the inevitable bullet would find the proper place to end his misery. At the outset, Major imposed difficult commandments for the road for himself and had an inkling that the trek would be demanding precisely the punishment he thought he deserved. However, he had no way of knowing where his travels would lead, nor how the varied experiences he would face could impact his mental well-being and future. It began rudely when an unfriendly hunting dog peed on Major's sleeping bag while he cringed inside, hoping not to be attacked. Assaults by ants, leeches, and hoodlums added to his desired misery. Other encounters quickly showed that many people have severe problems, and he helped many of them over major life hurdles. Those occasions caused him to look outwardly instead of inwardly, and his self-esteem began to rise. A chance encounter with an attractive young lady created a new dimension to

his life but neither she nor anything else deterred him from finding the relief he sought At the end of the test year Major was greatly affected by the numerous events during his trek some delightful some dangerous and harrowing and some were inspiring and uplifting Major concluded that he could reasonably expect a normal life even one that included painful memories and shame for his past sins One of his self imposed rules for the year was to completely sever ties with his former life and was unaware of surprising developments that had a bearing on his misery Crusades end eventually some in dignity and accomplishments some causing misery and some with the crusader finding his or her elusive Holy Grail Major's yearlong crusade ended with startling surprises with him finding a Holy

Guns Down Igor Volsky, 2019-04-09 One of Mashable's 17 books every activist should read in 2019. Join the conversation about creating a future with fewer guns and finally make a difference. This smart, thoughtful, commonsense plan Donna Brazile shows you how. Ninety-six people die from guns in America every single day. Twelve thousand Americans are murdered each year. The United States has more mass shootings, gun suicides, and nonfatal gun injuries than any other industrialized country in the world. Gun safety advocates have tried to solve these problems with incremental changes such as background checks and banning assault-style military weapons. They have fallen short. In order to significantly and permanently reduce gun deaths, the United States needs a bold new approach: a drastic reduction of the 390 million guns already in circulation and a new movement dedicated to a future with fewer guns. In *Guns Down*, Igor Volsky tells the story of how he took on the NRA just by using his Twitter account, describes how he found common ground with gun enthusiasts after spending two days shooting guns in the desert, and lays out a blueprint for how citizens can push their governments to reduce the number of guns in circulation and make firearms significantly harder to get. An aggressive licensing and registration initiative, federal and state buybacks of millions of guns, and tighter regulation of the gun industry, the gun lobby, and gun sellers will build safer communities for all. Volsky outlines a New Second Amendment Compact developed with policy experts from across the political spectrum, including bold reforms that have succeeded in reducing gun violence worldwide, and offers a road map for achieving transformative change to increase safety in our communities.

Dashiel Waitflaker: Deer Hunter Amanda Lyn Donogal, 2011-05-04 It's a Thelma and Louise meets Pulp Fiction encounter when fugitive Dashiel Waitflaker hitches a ride with truck-driving Bambi and her pink teacup poodle Adolf. From the moment Dash climbs into the hot pink eighteen-wheeler, the battle lines are drawn. When Bambi alters Dash's appearance to help keep him out of jail, there is no doubt these two are headed from one disaster to another. After accidentally hitting a weigh scale officer in the head, then hearing on the news the officer was found dead, the two share fugitive status. Certain that the mounties are in hot pursuit, their relationship takes a number of turns for the worse. The purchase of a winning scratch-and-win lottery ticket creates more mutual distrust between the two, solved only by a marriage performed by Bambi's hot cross-dressing friend. An escape from the honeymoon suite in a police SWAT van, the purchase of an ingrate talking pink cockatoo, and the need for the Jaws of Life to rescue Bambi from a Tim Horton's Drive Thru lane interfere with their plans to leave Canada.

The Used Car Reliability and Safety Guide Adam Berliant, 1997 Completely updated, this compilation of consumer complaints from the National Highway Traffic Safety Administration arms used car shoppers with the facts they need to purchase a reliable vehicle and avoid ending up with someone else's problems.
