RUN TO WHERE NOBODY IS WAITING Decebal Bugariu, 2021-12-15 After living in a corrupt totalitarian regime in which you are denied the very basic individual rights of freedom to speak without censorship to worship without intimidation to read books you want and meet friends without fear of being spied on to grow professionally without shameful compromises to get a passport without the humiliation of having to bribe a corrupt official when all of these become unbearable fleeing is one of the very few options no certain destination no one waiting for you yet the only way you can save your sanity dignity and integrity This is a personal account of a long journey from total desperation through life and near death events to safety hope and freedom and I hope that as crude and unhindered this story is it is also highly entertaining
